Understanding Alice McDermott Margaret Hallissy, 2020-01-27 Alice McDermott winner of the National Book Award American Book Award and Whiting Award and three time finalist for the Pulitzer Prize recently published her eighth novel *The Ninth Hour* to great critical and popular acclaim Her previous books including *Charming Billy* *At Weddings and Wakes* and *That Night* have been lauded as crowning achievements of Irish American fiction An Irish American Catholic born and raised in New York McDermott uses multiple identities and a distinctive nonchronological narrative style to create an unmistakable trademark She currently serves as the Richard A Macksey Professor of the Humanities at Johns Hopkins University *Understanding Alice McDermott* begins with a brief biography and transitions into a linear inquiry of McDermott s published works In addition to interrogating her recurring motifs of memory and heritage Margaret Hallissy tracks various themes that appear throughout the novels religion generational trauma geography family motherhood and displacement topics that intertwine and inform the mentality of McDermott s characters This volume deftly leads the reader through each of McDermott s novels seeking connections and facilitating conversations among her earliest and most recent works Hallissy demonstrates a deep critical understanding of

intersections in McDermott's canon. Her characters in some ways are beleaguered by society's perception of them: uneducated, lower middle class immigrants or children of immigrants but are also positively defined by their collective dream of a lost homeland and the shared hardship of motherhood. By tracing the shifting themes and motifs through eight novels, uncollected short stories, and essays published during McDermott's fruitful career, *Understanding Alice* provides a window into the decades-long development of a contemporary master. [Sometimes I Forget](#) Julie Sunne, 2024-05-07. *Sometimes I Forget* invites us to know God more intimately so we can trust Him more deeply, providing 60 devotionals centered on the attributes of God. **The Law of Freedom** Daniel L. Rentfro Jr., 2019-10-29. *The Law of Freedom: Justice and Mercy in the Practice of Law* examines the legal and theological roots of the concept of equity and the implications that the diminishment of equity as a legal concept has for the moral dilemmas faced by the practicing lawyer. Meditating on the book of Micah, the book argues that the Christian duty asks for both strict justice and gracious mercy, with the prophet's third value, humility, essential for both the individual lawyer and the legal system as a whole to balance strict justice and mercy. [The Royal Neighbor](#), 1937. **The Bible's Greatest Hits** Henry G. Brinton, 2021-07-09. From the creation story of Genesis to the new heaven and new earth of Revelation, *The Bible's Greatest Hits* contains the top sixty-six passages in Holy Scripture. Presbyterian pastor and novelist Henry G. Brinton invites readers into discussion and debate as he reveals the significance of these passages and connects them to contemporary life. Some readers will disagree with Brinton's selections, just as music fans dispute the choices on a greatest hits album, but all will gain a new appreciation for the richness of scriptural insights found in the full range of biblical books, from the well-known to the obscure. Written for both private devotion and group discussion, *The Bible's Greatest Hits* includes the best in biblical scholarship as well as practical connections to daily life, along with questions for reflection at the end of each chapter. The book gives Christian youths and adults an introduction to the major characters and stories of Holy Scripture as it links their daily lives to the Bible's most important moral and theological insights. Readers will gain the satisfaction of increased biblical literacy while being shaped by the most transformative passages from Genesis to Revelation in the course of their ongoing faith development. [Mary in Our Life](#) Nicholas Joseph Santoro, 2011-08-12. *Mary in Our Life: An Atlas of the Names and Titles of Mary, The Mother of Jesus, and Their Place in Marian Devotion* presents the 1,969 names, titles, and appellations used to identify the Blessed Virgin Mary over the centuries in terms of their history and related events. Within these titles and their history, one can see the official and private attitudes and prejudices of the times, government pressures, conflicts, and interdictions, internal problems within the Catholic Church, and startling examples of dedication, devotion, and piety. Taken together, Marian titles are a real-life story of the Catholic faith. **Fearful Times; Living Faith** Robert Boak Slocum, Martyn Percy, 2021-11-19. We live in fearful times with many threats and horrors. We've seen a pandemic, systemic racism, and violence, resurgent nationalism and tribalism, polarization, and mutual suspicion, insurrection, environmental peril due to climate change, and on. We can feel helpless. But

these threats give impetus for reflection on what faith has to say in any time of challenge Where do we turn in real need What makes a difference What do we really believe Can we speak in Christ s name against dishonesty cruelty and neglect of the most needy and vulnerable in times of crisis The recent pandemic and other horrors provide the catalyst for theology that lives today and in the future in fearful times and whatever comes next As Christians as people of faith how do we find God alive in us and present in our turmoil And how do we share that hope with others How can Christian faith help us bring the best out of the worst Can we rediscover our faith our church our lives in these times of crisis This volume presents a variety of perspectives and answers for questions of fearful times and living faith *Giving Is the Good Life* Randy Alcorn, 2019-09-03 ECPA 2020 Christian Book Award Finalist Wouldn t it be great if we could do what pleases God helps others and is best for us at the same time Can we live the good life without being selfish In *Giving Is the Good Life* bestselling author Randy Alcorn teaches life changing biblical principles of generosity and tells stories of people who have put those radical principles into practice Each story is a practical application that can help stimulate your imagination and expand your dreams of serving Jesus in fresh ways These real life models give you not just words to remember but footprints to follow *Giving Is the Good Life* reveals a grander view of God and generosity one that stretches far beyond our imagination and teaches us what the good life is really all about **Christian Standard** ,1907 The Pall Mall Budget ,1887 *New York Daily Tribune Indexes for ...* ,1976 *Religious Books, 1876-1982* ,1983 Prepared by the R R Bowker Company s Department of Bibliography in collaboration with the Publications Systems Department Page opposite t p Includes indexes Author Index 3901 4069 Title Index 4071 4389 The New York Daily Tribune Index ,1890 **R.E.D.
