Hindutva : Verdict 2024 Harsh Kumar,2025-02-15 When analysing the results elections it is important to recognise that despite the myriad of adverse circumstances controversies conspiracies and rumors the people of India chose a government with a clear majority The pre election NDA alliance was once again entrusted by the great people of India to represent them for another five years The clarity of the mandate is evident as there was no need for any new alliance partners and the leadership as well as the party to guide the country was already decided For those who believed in the end of Hindutva politics this was a resounding shock Despite all the negative discussions and criticism the BJP secured 240 seats and its unwavering steadfast supporters made it clear that they stand by the party under any circumstance This book explores the profound rise of Hindutva and its enduring influence on Indian politics examining how this Hattrick victory has further

solidified its roots in the nation's future. It highlights the power of unity, resilience and determination as Hindutva continues to shape the political landscape. **The Journey of Maharashtra Congress (1947-2000)** Dr. Dinakar Vishnu

Patil, 2019-04-03 On December 28, 1885, the foundation was laid for the establishment of Congress Party in Maharashtra as a means of communication between the British Government and Indian People which soon became a mass movement within a limited period of time. Since then it has been rooted for almost one hundred and twenty-five years in India and has seen taking place with so many changes in the development of the party itself. The Congress party has been spread in all territories of India and caused tremendous success in the socio-economic and political development of the country. The work of the party in pre and post independence period is enlightening. In fact, the history of Congress party is considerably the history of India's freedom movement. If the leaders of the Congress Party are separated from the national leaders, the lack of leadership could be found in Indian history. Therefore, the study of Congress Party in Maharashtra is a challenging one.

India's Democracy Dr. Samir Mukhopadhyay, 2023-02-01 The dreamers of building up a democratic polity in our country drafted a constitution to come into effect after the attainment of long-cherished independence. India's Constitution was designed after the western model of liberal democracy. It is a representative democracy where the ability of the elected representatives to exercise decision-making power is regulated by the rule of law. Liberal democracy is committed to the protection of the rights and freedoms of individuals. Indian Constitution incorporated fundamental rights: justice, liberty, equality and tolerance between and among widely differing political views and maintaining social and political pluralism which are essential ingredients of a liberal democracy. The shamelessness of most Indian politicians happens to be the shackles to the growth of Indian politics on the democratic track, worth the name. *The Cell and the Soul* Anand

Teltumbde, 2025-11-03 Noted social activist Anand Teltumbde entered the Taloja Central Prison as accused number 10 in the Bhima Koregaon case and spent 31 months as an undertrial until he was released on bail. As an intellectual who was stripped of his freedom, he lays bare the chilling realities of India's prisons in his gut-wrenching prison memoir. Part memoir, part diary, *Cell and the Soul* is a descent into the heart of India's carceral state, ripping open the belly of the beast, the prison industrial complex and exposing the brutal, pulsating injustice within. From the echoing silence of his cell, Teltumbde writes of a heartless state that criminalises dissent with political imprisonment, of the relentless grind of injustice and the profound cost of speaking truth to power. His prison writing is but a synecdoche for thousands of nameless, faceless undertrials who languish in India's jails. This is a raw, unvarnished testament of a man incarcerated for his convictions, a powerful indictment of a democracy devouring its own. Rare is writing so tender and searing; it dares us to confront the darkness within each of us and seek our own freedoms. *Trading Power* Priyam Gandhi-Mody, 2020-12-01 IN OCTOBER 2019 THE ASSEMBLY elections held in Maharashtra saw a decisive mandate in favour of the pre-poll Mahayuti alliance of the Bharatiya Janata Party and the Shiv Sena against the Maha Aghadi alliance of the Nationalist Congress Party and the Indian National

Congress But what followed shook the very foundations of democracy With the Shiv Sena unexpectedly staking claim to the chief minister's post and the BJP unwilling to give in to their demand the battle for the coveted top spot began in earnest and President's Rule was imposed in the state Featuring swiftly shifting alliances the abandonment of long held party ideologies dynastic bombast and overnight reversals the high octane drama culminated in Uddhav Thackeray of the Shiv Sena taking oath as chief minister of Maharashtra on 28 November 2019 The BJP the single largest party in the legislature with almost double the seats of the second in line Shiv Sena found itself sidelined and left without power Recounting in dramatic detail the high stakes battle for political control of a crucial state Trading Power throws into sharp focus the manipulations and narrow motivations that rule politics in the country today ultimately leading to a gross betrayal of the people's mandate

Rise of the Plebeians? Christophe Jaffrelot, Sanjay Kumar, 2012-05-04 For decades India has been a conservative democracy governed by the upper caste notables coming from the urban bourgeoisie the landowning aristocracy and the intelligentsia The democratisation of the world's largest democracy started with the rise of peasants parties and the politicisation of the lower castes who voted their own representatives to power as soon as they emancipated themselves from the elite's domination In Indian state politics caste plays a major role and this book successfully studies how this caste based social diversity gets translated into politics This is the first comprehensive study of the sociological profile of Indian political personnel at the state level It examines the individual trajectory of 16 states from the 1950s to 2000s according to one dominant parameter the evolution of the caste background of their elected representatives known as Members of the Legislative Assembly or MLAs The study also takes into account other variables like occupation gender age and education

Ballots and Breakups Sunita Aron, 2019-06-24 Winning elections is not everything what is crucial for the good health of a robust democracy is forming a government From strategically devised pre poll alliances to hastily stitched together post poll associations noted journalist Sunita Aron has travelled the length and breadth of the country painstakingly documenting the drama and dharma of coalition politics in India The result of her exhaustive research and insightful analysis Ballots and Breakups is a cracker of a read As Indian voters deliver fractured verdicts political parties resort to constructing fragile coalitions by hook or by crook The hapless casualties of this relentless quest for power are the Indian voters and this book is for them as the writer eloquently exhorts for the need of common guidelines on the formation of a government in the case of a hung house A gripping take on coalition politics in India Aron charts a riveting tale of modern Indian politics that has all the masala of a Bollywood potboiler but the ending the writer asserts has to be happy like that of any Hindi film stable governments and a prosperous society even in a hung house **Developing Rural India** Walter D. Mignolo, 1984 The Dynasty Sunita Aron, 2016-04-01 Why are surnames so important in politics Should there be birth entitlements to inheritance of power in a democratic set up Must the offspring be given on a platter what the common people have to struggle for Believers in meritocracy and equitable distribution of power would cry in chorus No Then why is India's vibrant democracy

stained with dynastic politics in which bereavement is also used to transfer power The Nehru Gandhi family has so far been singularly held responsible for this widespread political malaise Rightly so Had Prime Minister Jawaharlal Nehru not dithered when his daughter Indira Gandhi stood for presidentship of the Congress almost six decades back dynastic politics would not have crept into our rich democracy and grown into a monster What the father founded the daughter fostered Since then innumerable dynasties old and new big and small famous and infamous dot the country s political landscape today Non Congress parties though equally guilty have sporadically raised the issue of hereditary politics but never as intensely as in the watershed 2014 Lok Sabha polls when the voters debated and debunked the right to rule on the basis of birth certificate and not merit They handed over the reins of the country to a non dynast Narendra Modi punished the country s grand old party for its non performance and its scam ridden tenure and yet elected many dynastic scions a peculiar contradiction but that s what Indian politics is all about This volume incisively analyses the unethical games politicians play to remain in power and grow into brands

Russian Foreign Policy Since 1990 Peter Shearman, 2018-02-12 A book which brings together leading experts on Russia s foreign relations providing the most comprehensive coverage of contemporary Russian foreign policy currently available in a single volume Detailed case studies of relations with specific countries and regions are complemented by chapters that examine the process of decision making conflict between domestic institutional actors the role of groups such as the military and Russia s search for a new identity

Ruling Dynasties of Independent India - Volume 1 RAVINDRA PADALKAR, 2021-01-16 This book is written to give an overall idea of dynastic politics in India keeping in mind that a citizen of India should know more about the politicians who are in the government and form policies and so on to take the country in the proper direction Even if there are two related members it is considered as dynasty and is included in this book Wherever possible family trees as well as the assets of our politicians are shown It was natural to start with the Nehru Gandhi family being one of the largest and longest ruling families at the helm of all affairs Then state wise the families are chosen and the account is presented As the content is extensive the book is published in two volumes States are chosen alphabetically So even if Nehru Gandhi family is in Volume 1 Tamilnadu Telangana Uttar Pradesh are in Volume 2 Early rulers in Indian history used to hand over the throne to their sons and then to the next generations for generations till some significant event upset the process mostly conspiracies by persons like very close aides of the king or a revolt Similar lines were followed even during our democracy passing on the rule to the next generation which gave rise to dynastic rule Indian politics has witnessed a large spectrum of politicians from various fields Initially it consisted mainly of leaders from the field of law Now we find that we have eminent personalities from sports fields actors actresses superstars from the silver screen The literary field is no exception we have writers poets and so on Economists find a special place in the political arena Politics does not shun even criminals or a few dacoits who then turned to politics after surrendering Businessmen kings or princes from princely states as the British decided to call them are also found here We have learned people in politics as also

the illiterate people angutha chhaap who learned to sign only after assuming the office on being elected People are interested in knowing the assets of politicians This point is covered by using the asset declaration given by the politicians at the time of the election From Powerless Village to Union Power Secretary Prathipati Abraham,2009 SABKA SAATH SABKA VIKAS PRIME MINISTER NARENDRA MODI SPEAKS (2014-2015) Publications Division, This volume is a collection of 75 speeches of the Prime Minister in his first year in office from May 2014 to April 2015 Divided in five sections the speeches in this volume invoke the concept of good governance lay down the dream for making India prosperous and proficient in various fields they hail the contributions of soldiers farmers and scientists they raise the hope for respect and better life for all our countrymen and they present a clear commitment for Rising India *P.V.
