she was a slave to her father
pain was her only escape

H

Growing up, Sophie carried
a terrible secret...

She watched her father's face, if that man could forget
anything at all. He never let anything go, not even the
fact that, as a young father, he'd had out of his own
mouth, words that had torn through the
souls of his children.

It didn't matter, Sophie's father had been told to lie.
The boys and girls had grown up with a man who
had never let anything go, not even the
fact that he'd been told to lie.

A woman who had grown up in Sophie's father's
house had been told to lie. Sophie's father
had never let anything go, not even the
fact that he'd been told to lie. Sophie's father
had never let anything go, not even the
fact that he'd been told to lie.

Scarred Sophie Andrews:

Scarred Sophie Andrews,2012-05-24 The shocking story of how exceptionally violent abuse turned one girl to desperate self harm before turning her life around Growing up Sophie carried a terrible secret She was her father s slave in the most horrific ways imaginable At just a few months old she was adopted by a couple that seemed comfortably well off and perfectly respectable to the outside world But behind closed doors Sophie s childhood was a living hell Her father spent the next decade grooming her for abuse and when Sophie s mother left for good that very night he told Sophie that from now on she would sleep in his bed Unable to cope Sophie spiralled into suicidal misery She began to self harm to try and escape the agony But one day she went too far and at 16 ended up in a psychiatric unit It was here that she finally confronted the horrors of home and began the painful journey of rebuilding her life A phenomenally courageous woman Sophie now works for the Samaritans and helps other young people in need Harrowing yet compelling this is a searing and truly inspirational account of overcoming the worst abuse and self harm *Unspeakable* Harriet Shawcross,2019-03-07 Compassionate Guardian Extremely affecting Scotsman As a teenager Harriet Shawcross stopped speaking at school for almost a year As an adult she became fascinated by the limits of language From the inexpressible trauma of trench warfare and the aftermath of natural disaster to the taboo of coming out Harriet examines all the ways in which words scare us She studies wartime poet George Oppen interviews the author of *The Vagina Monologues* meets Nepalese earthquake survivors and the founders of the Samaritans and asks what makes us silent
