Thornton Wilder, Classical Reception, and American Literature Stephen J. Rojcewicz, Jr., 2021-11-25 This book delineates how Thornton Wilder 1897-1975 a learned playwright and novelist embeds himself within the classical tradition integrating Greek and Roman motifs with a wide range of sources to produce heart breaking masterpieces such as *Our Town* and comedy sensations such as *Dolly Levi* Through this study of archival sources and close reading readers will understand Wilder's avant garde staging and innovative time sequences not as a break with the past but as a response to the classics The author traces the genesis of unforgettable characters like *Dolly Levi* in *The Matchmaker* *Emily Webb* in *Our Town* and *George Antrobus* in *The Skin of Our Teeth* Vergil's expression Here are the tears of the world and human matters touch the heart haunts Wilder's oeuvre Understanding Vergil's phrase as tears for the beauty of the world Wilder utilizes scenes depicting the beauty of the world and the sorrow when individuals recognize this too late Wilder exhorts us to observe lovingly alert to the wonder of the everyday This work will appeal to actors and directors professors and students in classics and in American literature those fascinated by modern drama and performance studies and non specialists theatre goers and readers in the general public

Before the Parade Passes By John Anthony Gilvey, 2005-11 During the Golden Age of the Broadway musical few director choreographers could infuse a new musical with dance and movement in quite the way Gower Champion could From his

earliest Broadway success with *Bye Bye Birdie* to his triumphant and bittersweet valedictory 42nd Street musicals directed by Champion filled the proscenium with life At their best they touched the heart and stirred the soul with a skillful blend of elegance and American showmanship He began his career as one half of America's Youngest Dance Team with Jeanne Tyler and later teamed with his wife dance partner and longtime collaborator Marge Champion This romantic ballroom duo danced across America in the smartest clubs and onto the television screen performing story dances that captivated the country They ultimately took their talent to Hollywood where they starred in the 1951 remake of *Show Boat* *Lovely to Look At* and other films But Broadway always called to Champion and in 1959 he was tapped to direct *Bye Bye Birdie* The rest is history In shows like *Birdie* *Carnival* *Hello Dolly* *I Do I Do* *Sugar* and 42nd Street luminaries such as Chita Rivera Dick Van Dyke Carol Channing Mary Martin Robert Preston Tony Roberts Robert Morse Tammy Grimes and Jerry Orbach brought Champion's creative vision to life Working with composers and writers like Jerry Herman Michael Stewart Charles Strouse Lee Adams and Bob Merrill he streamlined the musical making it flow effortlessly with song and dance from start to finish John Gilvey has spoken with many of the people who worked with Champion and in *Before the Parade Passes By* he tells the life story of this most American of Broadway musical director choreographers from his early days dancing with Marge to his final days spent meticulously honing the visual magic of 42nd Street *Before the Parade Passes By* is the life story of one man who personified the glory of the Broadway musical right up until the moment of his untimely death When the curtain fell to thunderous applause on the opening night of 42nd Street August 25 1980 legendary impresario David Merrick came forward silenced the audience and announced that Champion had died that morning As eminent theatre critic Ethan Mordden has firmly put it the Golden Age was over Though the Golden Age of the Broadway musical is over John Gilvey brings it to life again by telling the story of Gower Champion one of its most passionate and creative legends

Conolly, 2004-11-30 Post Colonial Literatures in English together with English Literature and American Literature form one of the three major groupings of literature in English and as such are widely studied around the world Their significance derives from the richness and variety of experience which they reflect In three volumes this Encyclopedia documents the history and development of this body of work and includes original research relating to the literatures of some 50 countries and territories In more than 1 600 entries written by more than 600 internationally recognized scholars it explores the effect of the colonial and post colonial experience on literatures in English

worldwide **Encyclopedia of Music in the 20th Century** Lol Henderson, Lee Stacey, 2014-01-27 The Encyclopedia of Music in the 20th Century is an alphabetically arranged encyclopedia of all aspects of music in various parts of the world during the 20th century. It covers the major musical styles: concert music, jazz, pop, rock, etc., and such key genres as opera, orchestral music, bebop, blues, country, etc. Articles on individuals provide biographical information on their life and works and explore the contribution each has made in the field. Illustrated and fully cross-referenced, the Encyclopedia of Music in the 20th Century also provides Suggested Listening and Further Reading information. A good first point of reference for students, librarians, and music scholars as well as for the general reader.

Nola Millar Sarah Gaitanos, 2006 One of the most important and influential figures in the history of New Zealand theater, Nola Millar was an indefatigable director and teacher and the founder of Toi Whakaari, New Zealand's premier drama school. This biography explores the full story of her career, her important work as reference librarian at the Turnbull Library, and the social contexts in which she worked, providing great insight into the history of theatre in New Zealand.

Crumpled Trumpet Anthony Cherry, 2025-10-28 Anthony Cherry's career with the BBC has spanned more than forty years. He began as a clerk in the library before becoming a sound engineer and then producer. *Crumpled Trumpet* takes us from his experiences of working on national events like the Falklands War and the death of Diana, Princess of Wales, to the inside story of directing countless presenters, singers, musicians, and actors, including Hollywood star Dirk Bogarde, legendary actress Glenda Jackson, pop superstar Gary Barlow, and chat show king Sir Michael Parkinson. Leaving home at eighteen, Anthony arrived in Broadcasting House convinced he would be producing at The London Palladium by the end of the week; it took a little longer than that. This book follows his progress with an entertaining series of broadcasting adventures full of humour and insight. It features stars like Idina Menzel, Charles Dance, Brian Blessed, ABBA's Benny Andersson, and Björn Ulvæus, Andrew Lloyd Webber, Cameron Mackintosh, Priscilla Presley, Mark Gatiss, Gregory Porter, Kylie Minogue, Tom Jones, Gladys Knight, and Barry Manilow. It is a tribute to the art of radio and the people who make it.

Great North American Stage Directors Volume 4 Henry Bial, Chase Bringardner, 2024-01-25 George Abbott, Vinnette Carroll, and Harold Hal Prince were trailblazing figures who helped shape and define the Broadway musical over the course of the 20th century. Their careers expanded the boundaries of the genre, highlighting the critical role of the director in the creation of a new musical. As theatre history, the essays in this volume help to complicate and deepen the reader's understanding of the musical genre of Broadway and of the enduring legacies of these three pioneers. As lessons in theatrical direction, they illustrate the particular issues involved in directing musicals as well as the stakes of working commercially at the highest levels of the industry. The *Great North American Stage Directors* series provides an authoritative account of the art of directing in North America by examining the work of twenty-four major practitioners from the late 19th century to the present. Each of the eight volumes examines three directors and offers an overview of their practices, theoretical ideas, and contributions to modern theatre. The studies chart the life and work of each director, placing his or her

achievement in the context of other important theatre practitioners and broader social history Written by a team of leading experts the series presents the genealogy of directing in North America while simultaneously chronicling crucial trends and championing contemporary interpretation *Comparative Youth Culture* Mike Brake,2013-02-01 Mike Brake suggests that subcultures develop in response to social problems which a group experiences collectively and shows how individuals draw on collective identities to define themselves **For Love of Drama** Rolf McEwen,2004 This book is about acting It s about money It s about people who love the arts It s about performing arts and how to make them happen in high school how to make them affordable by selecting great scripts to attract paying audiences The sale of tickets provides the revenue to pay all costs of play production with a profit margin to boot The book provides practical suggestions for budgeting cost control play selection auditions casting rehearsing planning discipline and performance The book exudes the joy that accompanies working with artistic young people who are intent on excellence It communicates the director s personal philosophy of allowing actors to begin a play by creating their own character development which can be shaped by the director over time It promotes the concept that the students not the directors do the work The students study the play rehearse the play and perform the play with guidance from the director but without excessive direction The director for example allows students to do the stage management the lighting design and operation and the sound effects The director does not go back stage at all during rehearsals or performances leaving students to solve their own problems and to make the production happen without adult assistance The result is serious student responsibility and determination The result is team work and cooperation Ideas for publicity are provided in the text as well as suggestions for play selections planning arrangements budgets for various plays and ideas for acting and directing The director s philosophy is revealed including persuasive arguments for the great value derived from participation in performance activities The book is a manual for creating and maintaining a drama program which brings out the best in the actors stage hands and technical workers It makes an argument that there is no need to curtail or eliminate drama dance music and other performing arts when finances grow tight because these programs can pay for themselves if quality shows are performed for a public that is willing to pay for good performances For Love of Drama makes a passionate plea for the establishment of artistic programs in the schools which allow students to inspire their minds develop their skills and enjoy working with other talented young people in creating excellent performances Go ahead treat yourself to a little love for the arts by reading this lively book It is accompanied by 94 dramatic stage photos taken during rehearsals revealing quality acting costuming and set design It s a wonderful manual filled with practical ideas on how to keep a performing arts program thriving for the sake of gifted young people **World of Theatre 2003 Edition** Ian Herbert,Nicole Leclercq,2003-09-02 Edited by Ian Herbert President of the International Association of Theatre Critics Secretary of the Drama Section of the Critics Circle in London and editor of Theatre Record the chronicle of the British stage and Nicole Leclercq Archives et Mus e de la Litt rature Brussels the World of Theatre is a lavishly illustrated biennial

publication providing on the spot and authoritative surveys of current theatrical activity from across the globe The content of the book is as varied as the theatrical situations it describes from magisterial round ups by leading critics in Europe to desperate and pitiful reports from the battlefield in war torn countries With expanded coverage this new edition encompasses the three seasons from 1999 to 2002 and contains articles from over seventy countries The contributors include leading commentators such as Jim O Quinn editor of American Theatre and England s Peter Hepple the longest serving London theatre critic and a former editor of The Stage The World of Theatre will be welcomed by theatre scholars as an ongoing revision of another Routledge reference work the World Encyclopedia of Contemporary Theatre and is essential reading for anyone seeking up to date information on the developments in the leading theatre nations as well as those countries whose theatre is little known outside their boundaries
