

SECOND LANGUAGE URDU

Paper 3248/01
Composition and Translation

KEY MESSAGES

In order to do well in this examination, candidates should:

- write a well-structured composition covering each bullet point
- stay within the prescribed word limits for each task
- for translation, not miss out words or phrases

GENERAL

The paper consisted of three questions. The total for the paper is 55 marks.

As usual, the overall performance of the candidates was good, with the majority of them producing very good work. The stronger candidates found the technical demands of the translation fairly straightforward.

PART ONE: DIRECTED COMPOSITION

Question 1 required candidates to write a short essay of about 150 words on the topic of: *saikal sawari* – (cycling)

6 marks were for content and 9 for language, giving a total mark of 15 marks for the question.

Three main bullet points were given in the stimulus, namely:

- *saikal celane ke faede*
The benefits of riding a bicycle
- *saikal celane men darpesh masail*
Problems faced by cyclists
- *aap ke 'elaqe men saikal celane ki kawmsi sahultien honi chahien*
What facilities should be there for cyclists in your area

2 marks were awarded for each bullet point, depending on whether they had given two facts and how much detail was given. Most candidates scored well on the first two points this year, but quite a few did not score on the third bullet point.

The first point this year was one where most candidates could easily score 2 marks. The most frequently mentioned points were:

- it makes it possible to get out and about cheaply
- it helps you keep fit and active
- it helps you lose weight
- it helps you meet people and make friends
- doesn't cause pollution

The second bullet point was equally well answered. Good and valid points made included:

- it is hard to learn
- too much traffic
