Serendipity Catharina Maura, 2021-06 You've read Alyssa's side of the story in *The Tie That Binds* Now it's Daniel's turn I thought I could stay away from her I thought wrong What was I supposed to do when I found out that Charles Moriani's last wish was for me to marry his only daughter I owed the man everything he taught me all I know and took on the role my late father was unable to fulfil never asking for anything in return Until now The choice was easy to make Too easy perhaps I tried to make myself believe I married her for honourable reasons but nothing could be further from the truth Alyssa was never meant to find out how I feel about her She was never meant to end up in my bed And she was definitely never meant to love me back Author's note *Serendipity* is based on *The Tie That Binds* This book follows the same events but was written from Daniel's point of view While it is technically a standalone I highly recommend reading *The Tie That Binds* first
