Divinely Touched: Transform Your Life Dr. Dave DiSano, Mary DiSano, 2011-08-29 Divinely Touched is a story of personal transformation It chronicles Mary's spiritual awakening how she was divinely saved led and transformed From the depths of depression from battles with physical ailments for which the medical profession had no explanations from being led into worlds she never knew existed she survived being taken to the underworld She was guided and healed by light workers shamans and avatars from this world and the spirit dimension and led on a journey of personal physical mental and spiritual healing Mary's experience like that of a caterpillar when transformed into a beautiful butterfly is one that will inspire enlighten and transform your life as well Dr Dave uses science research and knowledge of the ages to explain what Mary experienced and open worlds to the reader that they may never have imagined Divinely Touched Transform Your Life can in fact do just that With painstaking detail Mary describes her descent into darkness and her triumphant return Like Margaret Starbird in The Goddess in the Gospels who also has a spiritual awakening that took her into the realms of psychosis Mary describes a similar personal descent into darkness before bursting forth into spiritual awareness Inside you will find a compelling story that may help you or someone you love Maureen St Germain author of Beyond the Flower of Life Finding the Rhythms of Health and Happiness Divinely Touched is a wonderful book that documents an impassioned and heartfelt account of the pitfalls and triumphs of personal awakening Dr Michael Sharp author of The Great Awakening The Book of Light The Book of Love The Dossier of Ascension **Beyond Esoteric** Brad Olsen, 2021-01-14 Nothing in this world works the way you think it does there is always more to the story Be aware that there is a war for your mind and your soul Corporations have taken over governments in a new form of Fascism that now incorporates high technology and artificial intelligence The survival of the human race may depend on breaking the Embargo of truth and collectively developing an berMind But truth always resonates Beyond Esoteric takes off the kid's gloves and exposes the control grid extending its tentacles across the planet The word occult means nothing more than to study the realm of the hidden So much of real knowledge and wisdom is disguised because the people who run the planet feel that true information of how the world works and how to manifest reality is something you do not need to know Everything we think we know about the world and the universe in which we live whatever we have been led to believe concerning the course of human history could very well be

completely wrong distorted and misinformed The 19th century teachers of the occult could never have imagined The Ultimate Journey of the 21st century we now face one that extends far Beyond Esoteric **Knowledge of Oneness** Mary-Jane Bateman, Bruce Fogel, 2008-11 In Knowledge of Oneness Letters of Enlightenment from Beyond the Veil Mary Jane Bateman and Bruce Fogel share beautiful writings and inspiration received over the years through channelled correspondence with Guides Angels Holy Archangels and many other Beings of Divine Light They are releasing this information at this exciting time of great planetary change to help others raise their vibration so we can all experience a smoother transition on humanity's return back to the third level of consciousness This book is written to enlighten and awaken the spirit within New areas of knowledge come to those when the time is right So read with an open heart and mind The great inner truth lies within Melchizedek Bring Light into your heart each day as all miracles flow from this Cameron Guide and inspiration ABOUT THE AUTHORS MARY JANE BATEMAN is a Reiki Master and Iridologist and loves to incorporate crystals into her healing work BRUCE FOGEL is a machinist by trade and also a Reiki Master and Medium Like many others they are constantly striving to remember and re awaken to the secret knowledge of the past They love to travel and have lived in northland New Zealand and several parts of Ontario Canada They now live in Duncan BC Canada with their daughter and son blessed with numerous loving pets and a small orchard You are invited to contact them through their website at www.KnowledgeOfOneness.com *Crystal Skulls* Jaap van Etten, 2013-01-01 Crystal skulls invoke a sense of mystery What was their role in ancient times Are they important for us in current times Can they assist us on our spiritual journey How Although much has been written about them many questions still linger This book addresses many of these lingering questions on practical subtle energy and spiritual levels This long awaited sequel to *Crystal Skulls Interacting with a Phenomenon* weaves practical information on crystal skulls with meditations to provide a deeper understanding of the role of crystal skulls in expanding the consciousness of individuals and humankind as a whole Filled with useful guidance for both beginners and those who have worked with crystal skulls for long periods of time *Crystal Skulls Expand Your Consciousness* addresses essential issues what material crystal skulls should be made from what size to choose how to clean them and what to do with them The most important part of the book addresses awakening the potential of a crystal skull Learn about the energies of these awakened crystal skulls and the effects they have on the spiritual development of individuals and the collective consciousness of humanity This book invites you on a journey of awakening the potential of your crystal skulls and consequently awakening yourself Several meditations are given to support this journey along with descriptions of the known ancient and old crystal skulls making this book a must have for anyone interested in crystal skulls and in the journey of spiritual development *Debunk It!* John Grant, 2015-02-24 A guide to critical thinking for young readers looking to find some clarity in a confusing world *The Next Human* Jason Lincoln Jeffers, 2014-08-12 Everything in nature evolves This process is usually slow taking millions of years But every couple hundred millennia or so an entire species takes a giant leap

forward Currently 17 500 nuclear warheads on Planet Earth are considered operational and at least 4 000 of them are on hair trigger alert The nations of North Korea and Iran are scrambling to add their own warheads to the list The human race now has but one option for world peace evolution As we venture beyond the end of the Mayan Calendar at the end of 2012 a small percentage of humanity is evolving from an egoic codependent emotionally violent self destructive state of suffering into a heart centered egoless Self reliant creative state of being Ethereally connected to Gaia Mother Earth this burgeoning spiritually enlightened highly intuitive and compassionate species of humanity will actualize the protective and balancing nature of the sacred feminine Ultimately there is no way out of these current problems that we face together only a way through The way begins and ends with the personal evolution of the Self Non conformity to the current system of control through peaceful spiritual revolution both individually and collectively is what is needed now if we are going to move beyond the social injustice oppression pollution poverty famine and incessant wars that pervade our planet As we learn to honor the body s divine intelligence an entirely new system of drug free health care will emerge as opposed to the disease care model that exists today The time has come for us to look to solutions from higher levels of intelligence higher levels of consciousness Now is the time for us to draw a line in the sand and stand up for our divine Selves to stop playing the victim as a species Your evolutionary journey begins and ends with Self mastery through the transformation of the Seven Selves When you change your little me who means nothing to the universe perspective to an I am the center of all creation perspective your whole existence and reason for living transforms

Melchizedek,2010-06 Every 13 000 years on Earth a sacred and secret event takes place that changes everything Mother Earth s Kundalini energy emerges from its resting place in the planet s core and moves like a snake across the surface of our world Once at home in ancient Lemuria it moved to Atlantis then to the Himalayan mountains of India and Tibet and with every relocation changed our idea of what spiritual means And gender And heart This time with much difficulty the Serpent of Light has moved to the Andes Mountains of Chile and Peru Multi dimensional multi disciplined and multi lived for the first time in this book Drunvalo begins to tell his stories of 35 years spent in service to Mother Earth Follow him around the world as he follows the guidance of Ascended Masters his two spheres of light and his own inner growing knowledge His story is a living string of ceremonies to help heal hearts align energies right ancient imbalances and balance the living Earth s Unity Consciousness Grid in short to increase our awareness of the indivisibility of life in the universe We are all rocks and people and interdimensional beings one *The Ancient Secret of the Flower of Life, Volume 1* Drunvalo Melchizedek,2012-04-28 Once all life in the universe knew the Flower of Life as the creation pattern the geometrical design leading us into and out of physical existence Then from a very high state of consciousness we fell in darkness and forgot who we were For thousands of years the secret was held in ancient artifacts and carvings around the world and encoded in the cells of all life Here Drunvalo

Melchizedek presents in text and graphics the first half of the Flower of Life Workshop illuminating the mysteries of how we came to be why the world is the way it is and the subtle energies that allow our awareness to blossom into its true beauty Sacred Geometry is the form beneath our being and points to a divine order in our reality We can follow that order from the invisible atom to the infinite stars finding ourselves at each step The information here is one path but between the lines and drawings lie the feminine gems of intuitive understanding Explore the miracle of our existence by meandering through the wonderland of geometry science ancient history and new discovery seen through the widened vision of Drunvalo and the Flower of Life Volume 2 will explore in great detail the Mer Ka Ba the 55 foot diameter energy field of the human lightbody This knowledge leads to ascension and the next dimensional world About the Author Drunvalo Melchizedek's life experience reads like an encyclopedia of breakthroughs in human endeavor He studied physics and art at the University of California at Berkeley but he personally feels that his most important education came after college In the last 25 years he has studied with over 70 teachers from all belief systems and religious understandings providing him with a wide breadth of knowledge compassion and acceptance Not only is Drunvalo's mind exceptional but his heart his warm personality his love for all life everywhere is immediately understood and felt by anyone who meets him For some time now he has been bringing his vast vision to the world through the Flower of Life program and the Mer Ka Ba meditation
