Easy Recorder Songs For Kids - Simple Pieces For Beginners Adil Bkn,2021 *Pm Music P3* ,2008 **Recorder for
Absolute Beginners** Helen Winter,Nadya Gilbert, This book is for kids or adults who are absolute beginners in music We
tried to write it as simply as possible We use an easy to play visual aid so any beginner can play music quickly No previous
knowledge is necessary Every song has a large and simple letter coded visual along with traditional sheet music The
instruction is designed so that children begin with simple circles and gradually advance to reading notes using sheet music
We try to make this transition as easy as a game where children advance to higher levels themselves There are 22 songs and
2 options to help children begin to play right away PLAYING BY LETTER CIRCLE PLAY WITH THE MUSICAL STAFF The
player can first follow the circles and then repeat with the classic note symbols and staff The helpful letters are always above
the notes There are 3 parts in this book They are equal to 3 levels Level 1 Songs that are played in one octave All songs here
appear twice once written with circles and the next time with classic music notes This will help kids remember the staff notes
Level 2 In this part you will find one version with both circles and notes and a more advanced version of the song with notes
and musical notation For example Hot Cross Buns Version 1 CIRCLES Hot Cross Buns Version 1 NOTES Hot Cross Buns
Version 2 NOTES Here the player will play songs in a different key and learn how to transpose Generally the version of the
song written with sheet music is a little bit more complex than a letter coded version Such versions already have music
notations such as rests or beams etc You can find an illustrated explanation of the notation at the beginning of this book
Level 3 Here the first two songs are versions of the same melody different combinations of notes written with circles and
notes This is important so that the beginner can see how the same melody can be played in different keys First of all this
book is addressed to newcomers to the recorder instrument Also it is a perfect self training guide for children and beginner
adults to mastering the challenges of flute or recorder Recorder for Beginners. 50 Easy-to-Play Songs from Over the
