Halbrook, 2022-11-28 There are over forty four million AR 15s and similar semiautomatic rifles owned by Americans Popular adoption on such a monumental scale is indicative of more than a passing fad only proven utility through long history creates such lasting indeed growing demand Since the founding of the American republic rifles beginning with muzzleloaders and later semiautomatics have been at the center of American history and pre history This book by renowned historian and attorney Stephen Halbrook is the definitive account of this centrality of repeating rifles to the American story from its conception to the present day Some factions of state and national politicians now seek to remake America in a different novel image by rushing to ban and restrict access to firearms that have long been our heritage As Halbrook decisively shows theirs is a war against the Second Amendment and the tradition of freedom and self sufficiency that has sustained our storied past Our rights hang in the balance not as lone pillars but history shows as dominos ready to fall in quick succession Halbrook comprehensively reviews the historical legal and policy arguments advanced by gun prohibitionists and demonstrates that these bans are deeply antagonistic to our history our interests and our Constitution Gun Trader's Guide to Handguns Robert A. Sadowski, 2018-01-16 Gun Trader's Guide is the bestselling collectible firearms reference having sold over two million copies in thirty eight editions The guide includes prices for all types of firearms but what if you are only interested in buying selling and collecting handguns Then Gun Trader's Guide to Handguns is the book for you Featuring all your favorite handguns from the original Gun Trader's Guide plus hundreds more this is the only reference you'll ever need Veteran editor and firearms enthusiast Robert A Sadowski has compiled and cataloged discontinued and collectible handguns from your favorite manufacturers Complete with specs and price gradients based on the condition of the handgun collecting and selling your firearms will be easier than ever Sadowski also provides valuable tips on how to use the guide as well as articles on various collectible handguns and the art of handgun trading Also step behind the scenes to learn what dealers are looking for what they want in your handgun and what's required to become a dealer which should help you when buying trading or selling your handguns Whether you are a first time handgun owner or a longtime handgun enthusiast Gun Trader's Guide to Handguns is an invaluable tool to read before stepping foot in the dealer's store or attending a gun show **Popular Science**, 1944-11 Popular Science gives our readers the information and tools to improve their technology and their world The core belief that Popular Science and our readers share The future is going to be better and science and technology are the driving forces that will help make it better **Gun Digest, 1984** Books Inc Dbi, 1983-07 The Gun Digest Charles Richmond Jacobs, John T. Amber, Ken Warner, 1955 **Popular Science**, 1944-03 Popular Science gives our readers the information and tools to improve their technology and their world The core

belief that Popular Science and our readers share The future is going to be better and science and technology are the driving forces that will help make it better Small Arms for Urban Combat Russell C. Tilstra,2014-01-10 The urbanization of warfare has necessitated the kind of precision targeting that only small arms can deliver Weapons not often seen on the battlefield can prove useful even indispensable in an urban setting This expert reference guide examines in detail the most successful small arms in use and how changes in warfare have affected how those weapons are used and have transformed the small arms industry Professional soldiers law enforcement officers and students and researchers of small arms will gain a working knowledge of the most common and successful urban combat weapons including some currently in development

American Rifleman ,1961 Repeating and Multi-Fire Weapons Gerald Prenderghast,2018-04-06 From the very earliest days of organized warfare combatants have wanted to develop weapons with more firepower This has inevitably led to a wide variety of repeating weapons capable of a degree of sustained fire without reloading Based largely upon new research this book explores the history of repeating and multi fire weapons beginning with the Chinese repeating crossbow in the 4th century BCE and ending with the world s most common firearm the Kalashnikov AK 47 The author describes the potency of the machine gun in World War I the development of the semiautomatic pistol and the role of the submachine gun in improving the effectiveness of the infantryman
