A Strategic Approach to Performance Management. Roland Siebelink, 2009-09-30 Distinguishing between differentiating factors and non differentiating factors lies at the root of successful performance management and ties it closely to the strategy In this new strategic approach to performance management Roland Siebelink argues that the mission of the proactive strategist performance manager or project portfolio manager is to take away resources from non differentiating areas that just allow the business to play and to reinvest resources in differentiating areas that allow the business to win Proactive performance managers can help increase the performance of business units by helping business unit management think through their business model and their priorities Performance managers are well placed to ensure that a strategy is explicitly defined and that it makes explicit choices This ensures that the right strategy leads to the right measurements the

right projects and ultimately the right results to build sustainable superiority to *Dr. Dobb's Journal*, 2008 **Head First Agile** Andrew Stellman, Jennifer Greene, 2017-09-18 It's an exciting time to be agile. Finally, our industry has found a real sustainable way to solve problems that have perplexed generations of software developers. Agile not only leads to great results but teams say they also have a much better time at work. Yet if agile is so great, why isn't everyone doing it? It turns out that agile can work well for one team and cause serious problems for another. The difference is team mindset. With this brain-friendly guide, you'll change the way you think about your projects for the better. **Head First PMP, 3rd Edition** Jennifer Greene, Andrew Stellman, 2013 Head First PMP, 2nd Edition Andrew Stellman, Jennifer Greene, 2009 Learn the latest principles and certification objectives in *The PMBOK Guide Fourth Edition* in a unique and inspiring way with *Head First PMP*.
