High Rise Ballard:

High-Rise: A Novel J. G. Ballard, 2012-04-16 Class war erupts in a luxurious high rise apartment building *High-Rise* Mike Bonsall, 2014-02-09 With its forty floors and thousand apartments its supermarket and swimming pools bank and junior school all in effect abandoned in the sky the high rise offered more than enough opportunities for violence and confrontation JG Ballard High Rise Ballard was always an intensely visual writer and in the novel High Rise he gave detailed descriptions of the tower block itself and the floor locations of nearly a hundred residents Using Google SketchUp I created my own vision of the tower block and all of the residents whose floors are mentioned See the video version and my other Ballard inspired work here <http://fentonville.co.uk/digitalballard>

Notes on Trumpspace David Markus, 2023 In the wake of the 2016 U S Presidential election considerable ink was spilled on the architecture and interior design of the buildings owned and inhabited by Donald J Trump In an effort to understand the inner workings of America's first real estate mogul in chief commentators remarked on everything from the president's fastidious taste in window dressings to the exaggerated floor counts boasted by many Trump branded towers Notes on Trumpspace takes this discursive trend as a point

of departure It examines not only key examples of Trumpitecture but also works of film fiction and contemporary art that center on or otherwise illuminate the psychogeography of super luxury real estate Engaging closely with current political debates the book takes a critical approach to mainstream liberal reactions to the Trump presidency It argues that the fascination and horror Trump has provoked is owing in part to the way he lays bare the obsession with status self branding and achievement at any cost that has been part and parcel of the broader neoliberal ethos Finally it analyzes the January 6 2021 storming of the US Capitol through the lens of spatio political theorizations of settler colonial power and conceptions of home and homeland A genre defying work of political and aesthetic inquiry Notes on Trumpspace is a sustained investigation into the relationship between the built environment late capitalist fantasy and national identity It asks what it means for current and future understandings of home and dwelling that this era s most notorious peddler of high end real estate succeeded in peddling his way into the White House in 2016
