[Military History of Scotland](#) Edward M. Spiers,2012-07-20 The Scottish soldier has been at war for over 2000 years Until now no reference work has attempted to examine this vast heritage of warfare A Military History of Scotland offers readers an unparalleled insight into the evolution of the Scottish military tradition This wide ranging and extensively illustrated volume traces the military history of Scotland from pre history to the recent conflict in Afghanistan Edited by three leading military historians and featuring contributions from thirty scholars it explores the role of warfare in the emergence of a Scottish kingdom the forging of a Scottish British military identity and the participation of Scots in Britain s imperial and world wars Eschewing a narrow definition of military history it investigates the cultural and physical dimensions of Scotland s military past such as Scottish military dress and music the role of the Scottish soldier in art and literature Scotland s fortifications and battlefield archaeology and Scotland s military memorials and museum collections

The History Of England Laurence Echard,1718

Electoral Violence in the Western Balkans Michal Mochtak,2017-07-20 Since the end of the Cold War there have been a number of cases where the democratization process has been turbulent or even violent Addressing electoral violence its evolution and impact in the Western Balkans this book explores the conflict logic of election and tries to understand its basic patterns Two decades of electoral competition in the region are analysed to identify an interesting evolution of electoral violence in terms of forms actors motivations and dynamics By identifying the potential drivers of electoral violence and explaining the escalation and stimulus of violence related events the author combines a theoretical approach with original data to emphasise the variability of the phenomenon and its evolution in the region The book will appeal to students and scholars of post communist Europe and democratisation processes and the Western Balkans in particular It should also be of interest to political advisors and those involved in developing or implementing democratisation programmes

Understanding the Global Environment Samir Dasgupta, 2009 Globalization is often discussed in terms of its ecological ramifications. Yet while ecological imbalance is today one of the greatest threats to mankind, globalization is also a reality that is here to stay. The volume therefore seeks to address how globalizing and environmental interests can be reconciled. The essays in this volume state that globalization can work both in favour of and against the environment. The major issues discussed in this topical volume are how globalization can be used to promote environmental reforms, the role of individuals, private organizations and governments in keeping environmental degradation in check and in promoting environmental reform, globalization and ecological inequality, women, the environment and globalization, changing nature of environmental movements, overpopulation and the ecology, the relation between the ecology and the economy and the effects of global climate changes.

Monthly Labor Review, 1933-05 Publishes in depth articles on labor subjects, current labor statistics, information about current labor contracts and book reviews.
