

Havana, ooh na-na (ay)
Half of my heart is in Havana, ooh-na-na (ay, ay)
He took me back to East Atlanta, na-na-na
Oh, but my heart is in Havana (ay)
There's somethin' 'bout his manners (uh huh)
Havana, ooh na-na (uh)

He didn't walk up with that "how you doin'?" (uh)
(When he came in the room)
He said there's a lot of girls I can do with (uh)
(But I can't without you)
I knew him forever in a minute (hey)
(That summer night in June)
And papa says he got malo in him (uh)
He got me feelin' like

Ooh-ooh-ooh, I knew it when I met him
I loved him when I left him
Got me feelin' like
Ooh-ooh-ooh, and then I had to tell him
I had to go, oh na-na-na-na-na

Havana, ooh na-na (ay, ay)
Half of my heart is in Havana, ooh-na-na (ay, ay)
He took me back to East Atlanta, na-na-na (uh huh)
Oh, but my heart is in Havana (ay)
My heart is in Havana (ay)
Havana, ooh na-na

Geographies of Cubanidad Rebecca M. Bodenheimer,2015-07-10 Derived from the nationalist writings of Jos Mart the

concept of Cubanidad Cubanness has always imagined a unified hybrid nation where racial difference is nonexistent and nationality trumps all other axes identities Scholars have critiqued this celebration of racial mixture highlighting a gap between the claim of racial harmony and the realities of inequality faced by Afro Cubans since independence in 1898 In this book Rebecca M Bodenheimer argues that it is not only the recognition of racial difference that threatens to divide the nation but that popular regional sentiment further contests the hegemonic national discourse Given that the music is a prominent symbol of Cubanidad musical practices play an important role in constructing regional local and national identities This book suggests that regional identity exerts a significant influence on the aesthetic choices made by Cuban musicians Through the examination of several genres Bodenheimer explores the various ways that race and place are entangled in contemporary Cuban music She argues that racialized notions which circulate about different cities affect both the formation of local identity and musical performance Thus the musical practices discussed in the book including rumba timba eastern Cuban folklore and son are examples of the intersections between regional identity formation racialized notions of place and music making

Jr.,2012-09-01 With this masterful work Louis A Perez Jr transforms the way we view Cuba and its relationship with the United States On Becoming Cuban is a sweeping cultural history of the sustained encounter between the peoples of the two countries and of the ways that this encounter helped shape Cubans identity nationality and sense of modernity from the early 1850s until the revolution of 1959 Using an enormous range of Cuban and U S sources from archival records and oral interviews to popular magazines novels and motion pictures Perez reveals a powerful web of everyday bilateral connections between the United States and Cuba and shows how U S cultural forms had a critical influence on the development of Cubans sense of themselves as a people and as a nation He also articulates the cultural context for the revolution that erupted in Cuba in 1959 In the middle of the twentieth century Perez argues when economic hard times and political crises combined to make Cubans painfully aware that their American influenced expectations of prosperity and modernity would not be realized the stage was set for revolution **The Influence of the Drama** Granville Forbes Sturgis,1913
