Case Stories of Reparative Therapy (TM), by Joseph Nicolosi, PH.D. Joseph Nicolosi, 2020-12 Originally published in 1993 as *Healing Homosexuality* Case Stories of Reparative Therapy introduces an assortment of Dr Nicolosi's clients as they undertake the lifelong journey to realign their sexual and romantic desires with their true gendered natures These men and hundreds like them told the author a distinguished clinical psychologist I wasn't born this way Gay is not who I am I know on some deep level that something happened to me when I was growing up which derailed my heterosexual development How do you help such men As with psychotherapy for any unwanted condition Reparative Therapy does not aim to erase a client's problems Rather it sets the motivated client on a pathway toward transforming his compelling unwanted desires from foreground into background He comes to understand the underlying motivations that drive him in this unwanted direction he develops compassion for himself as a struggler and he acquires tools to deal effectively with those attractions when they resurface from time to time during his lifetime Case Stories shows how this transformation can come about through Reparative Therapy TM a carefully structured course of probing dialog and genuine conversation designed to assist the client in discovering the key moments and circumstances that derailed his early sexual development and to guide him on the way to a more serene engagement with life love and sexuality

A Parent's Guide to Preventing Homosexuality Joseph Nicolosi, Linda Ames Nicolosi, 2002-10-30 Homosexuality is it learned biological or both The answer to this question deeply concerns parents They want to know how they can best raise their children A common belief today is that nothing can be done to foster the development of healthy heterosexual orientation in children But the clinical experience and professional research of Dr Nicolosi and others indicates otherwise In this groundbreaking book Joseph and Linda Ames Nicolosi uncover the most

significant factors that contribute to a child's healthy sense of self as male or female. Listening to moving recollections from ex-homosexual men and women who describe what was missing in their own childhoods, the *Nicolosis* provide clear insight for identifying potential developmental roadblocks and give practical advice to parents for helping their children securely identify with their gender. Replete with personal stories from parents, children, and ex-homosexual strugglers, *A Parent's Guide to Preventing Homosexuality* offers compassion and hope for all those parents who seek to lay a foundation for a healthy heterosexual identity in their children.

The Bible and Homosexual Practice Robert A. J. Gagnon, 2010-10-01 Gagnon offers the most thorough analysis to date of the biblical texts relating to homosexuality. He demonstrates why attempts to classify the Bible's rejection of same-sex intercourse as irrelevant for our contemporary context fail to do justice to the biblical texts and to current scientific data. Gagnon's book powerfully challenges attempts to identify love and inclusivity with affirmation of homosexual practice, the most sophisticated and convincing examination of the biblical data for our time. J. R. Gen. Becker, Professor of New Testament, Christian Albrechts University.

Homosexuality and the Catholic Church Fr. John F. Harvey, O.S.F.S., 2014-06-25 As the founder and director of the Courage and Encourage support groups, Fr. John Harvey is aware of the sensitive nature of homosexuality. With his extensive experience ministering to those with same-sex attraction, Fr. Harvey presents the Church's teaching in an objective and pastorally sensitive manner. Priests, religious, and laity alike will benefit from the many questions considered here, including: What is the basis of the Church's teaching regarding homosexuality? What do many consider to be the cause of same-sex attraction? Can a person overcome same-sex attraction? Why is it important for civil law to limit marriage to one man and one woman? How can a person live the virtue of chastity joyfully?

Handbook of Therapy for Unwanted Homosexual Attractions: A Guide to Treatment, Pastoral Care and Counseling in Sexual Diversity Richard L. Dayringer, H. Newton Malony, 2014-01-27 Learn to reach out to these hidden Christians. Offering a wide variety of points of view from the welcoming to the traditional, *Pastoral Care and Counseling in Sexual Diversity* addresses one of the crucial issues facing the church in these shifting times. Pastors of all Christian churches, whatever their denomination or theology, are likely to be faced with pastoral care or counseling of someone who is lesbian, gay, bisexual, or transgendered. This valuable compendium examines various ways you can meet the spiritual and psychological needs of these members of your congregation. *Pastoral Care and Counseling in Sexual Diversity* addresses the basic problems of sexual diversity, including definitions of sexual orientations and issues of human development. It offers wise guidance for offering pastoral care and counseling and provides tested solutions for the problems counselors face in dealing with these individuals. *Pastoral Care and Counseling in Sexual Diversity* offers thought-provoking points of view on a wide range of issues, including changes in attitudes toward homosexuality among mental health professionals, the limits of confidentiality, sexual diversity in the black church, a developmental model for effective treatment of male homosexuality, pastoral care and the formation of sexual identity, biblical perspectives on homosexuality, counseling lesbians, AIDS ministries,

and grief counseling Pastoral Care and Counseling in Sexual Diversity is an essential resource for pastors pastoral counselors and therapists dealing with these vexing issues facing the Christian church in the new millennium **The Straight Line**

Tom Waidzunus, 2015-11-20 To be taken seriously therapies that claim to cure homosexuality wrap themselves in lab coats Even though the fit is bad and such therapies and their theorists now inhabit the scientific fringe the science of sexuality has made some adjustments too Tom Waidzunus tells us in this provocative work Intervening in the politics of sexuality and science The Straight Line argues that scientific definitions of sexual orientation do not merely reflect the results of investigations into human nature but rather emerge through a process of social negotiation between opposing groups The demedicalization of homosexuality and the discrediting of reparative therapies ex gay ministries and reorientation research have Waidzunus contends required scientists to enforce key boundaries around scientific expertise and research methods Drawing on extensive participant observation at conferences for ex gays reorientation therapists mainstream psychologists and survivors of ex gay therapy as well as interviews with experts and activists The Straight Line traces reorientation debates in the United States from the 1950s to the present following homosexuality therapies from the mainstream to the margins As the ex gay movement has become increasingly transnational in recent years Waidzunus turns to Uganda where ideas about the scientific nature of homosexuality influenced the passage of the Anti Homosexuality Act of 2014 While most studies treat the ex gay movement as a religious phenomenon this book looks at how the movement in its attempts to establish legitimacy has engaged with scientific institutions shaping virulent anti gay public policy *Shame and Attachment Loss*

Joseph Nicolosi, 2009-04-23 Bringing together a Judeo Christian anthropology with biological and psychodynamic theories of human development and sexuality psychologist Joseph Nicolosi details the therapeutic techniques of reparative therapy he has developed over the past twenty years Written in three parts the book first describes the nature of the psychodynamics of same sex attraction as understood in the reparative therapy approach The second part describes the various phases of treatment The final part deals with walking clients through the process of grieving and the healing of their wounding Endorsed by numerous notable leaders in psychotherapy Nicolosi offers practical guidance for counselors and therapists who want to offer reparative therapy to those seeking change **Understanding Male Homosexual Problems**

Jason Park, 1997 Help for Those who Struggle with Unwanted Homosexual Problems 13 13 This booklet presents an understanding of male homosexuality in the context of the gospel of Jesus Christ It dispels the myth that homosexuality is inborn and unchangeable The author knows this first hand because he has experienced such changes in his own life 13 13 The booklet focuses on understanding and resolving the inner conflicts that underlie the homosexual struggle The homosexual impulse will not disappear until the legitimate emotional needs are met Meeting these legitimate emotional needs is the key to the healing process 13 13 The solution to homosexual attractions is not to simply suppress the feelings and control the behavior through willpower The goal is to resolve the inner conflicts that created the homosexual attractions

Although homosexual behavior can be stopped in the short term by exercising willpower the unmet emotional and social needs won't go away until they are fulfilled in nonsexual ways As men resolve the underlying causes the unwanted impulses will diminish or disappear 13 13 This booklet summarizes the information from the books *Resolving Homosexual Problems A Guide for LDS Men* and *Helping LDS Men Resolve their Homosexual Problems A Guide for Family Friends and Church Leaders*
