Why Did I Come into This Room? Joan Lunden, 2020-03-10 A New York Times Bestseller *Why Did I Come into This Room* is a funny What to Expect When You're Expecting for the aging woman I'm too old for Snapchat but too young for Life Alert In her most candid and revealing book yet acclaimed broadcast journalist and Baby Boomer Joan Lunden delves into the various phases of aging that leave many feeling uncomfortable confused and on edge In her hilarious book Lunden takes the dull and depressing out of aging replacing it with wit and humor After all laughing is better than crying unless it makes you pee Whether you're in your 40s 50s 60s or more this book is full of helpful information to embrace or at least prepare for the inevitable Funny captivating and raw no topic is off limits Lunden goes where others fear to tread openly talking about wrinkles and age spots which Lunden insists are sunspots expanding waistlines no you didn't shrink your jeans diminished energy my get up and go got up and went weak pelvic floors yes we're talking about leaking hot flashes they suck disrupted sleep the morning host is an expert on lack of sleep changes in sex drive oh yeah she goes there ageism it exists and it pisses us off and yes the real reasons we suddenly find ourselves always searching for those car keys Through her poignant and often laugh out loud funny personal experiences Lunden candidly shares her anxieties and breakthroughs and how she's coping with the realities of aging She's talking about the good the bad and the ugly elevating the conversation on topics often considered taboo *Why Did I Come into This Room* also explores the science of aging including how it impacts the body and brain while dispelling myths and revealing useful options to stave off the aging process as long as possible Even more importantly Lunden goes beyond the physical aspects of aging by closely examining the mental and emotional minefields that come with our advancing years As she explores the value of asking ourselves important questions including Am I still relevant Do I have meaningful friendships and Am I leaving an impactful legacy Lunden also examines the freedom in letting go the importance of managing stress and how joy and a sense of purpose all play an impactful role in slowing the aging process In a society where youth is revered and aging feared *Why Did I Come into This Room* is the long awaited tell it like it is guide for women of all ages As Lunden says Aging ain't for sissies you better be prepared

Biology Today Eli C. Minkoff, Pamela J. Baker, 2001 Biology as a subject not only plays a major role within the scientific world but has broader implications that cross many boundaries This work takes a modern and innovative approach to teaching introductory biology it presents fundamental biological concepts within the context of current social issues How do scientists affect our society at large How are ethics and morals applied to the scientific world Why are we racing to complete the human genome project and who are we racing against How do economic disparities between people and nations influence habitat destruction Can plant science feed the world Are the causes of cancer more genetic or environmental The book seeks to help students think critically about these questions and to explore and assess the role that science plays in their world
