The New You and the Holy Spirit Andrew Wommack Ministries, Incorporated, 2009 **Knowing the Holy Spirit**, **Initiation Of The Holy Spirit** Apostle Joshua Selman, 2020-12-04 when God calls a man the anointing is not the only thing that is given you have to understand this every ministry has many standard spiritual features When God calls a man there is the anointing that is upon that man by reason of his knowledge and his personal press of God also there is an anointing on the office that that man occupies spiritually in addition there is an anointing on that man by reason of discerning and being part of the current move of God they are not the same and then there is the anointing that comes by reason of the dimension that God wants to take the people into based on the truth that is revealed and then at certain level depending on the call and the office There are covenants that means a vow that God made with that man that as far as it relates to his destiny assignment on earth I have bound myself to do certain things that have nothing to do with even the person and then there are angelic manifestation there are angels that work with believers there are angelic presence as a believer he says he shall put his charge over you There are angelic presence that works with believers but there are angels that don't follow a man they follow anointing they don't need to know who that individual is it's an office just like they give you an office with cars there are P A they don't have to know you it's part of the equipping of the kingdom you see that it's very important And so there are angelic presence that signifies revelation it's not only the anointing that gives revelation the revelation of Jesus Christ which he gave unto John his servant Read this Book and Be Blessed Baptized in the Spirit Randy Clark, **Holy Spirit** Onyekachi John (author), 1901 The Ministry of the Holy Spirit John MacArthur, 1988

 399 Part Two Appendix 1 Questions Answers 419 In Christianity today the most frequently discussed issues are salvation
 from sin and the indwelling of the Holy Spirit However few people have precise knowledge of these two ideas despite the fact
 that they are the two most important concepts in Christianity What is worse they cannot find any biblical writing that clearly
 teaches us about the issues mentioned above There have been lots of Christian authors glorifying the gifts of the Holy Spirit
 or describing the Spirit filled lives But any of them doesnt dare to deal with the fundamental question How can a believer
 surely receive the Holy Spirit Why Surprising truth is that they couldnt write about it in full scale because they didnt have
 exact knowledge of it As Prophet Hosea cried out My people are destroyed for lack of knowledge nowadays not a few
 Christians are drawn into religious fanaticism hoping to receive the Holy Spirit They believe that they will receive the Holy
 Spirit by reaching a state of frenzy and hysteria But it is no exaggeration to say that their so called faith reduces Christianity
 to mere shallow Shamanism and that such fanaticism derives from Satan The author Rev Paul C Jong dares to proclaim the
 truth He deals the essential subjects in full scale which most spiritual writers have evaded for a long time He first defines the
 meaning of being born again and the indwelling of the Holy Spirit and explains the inevitable relationship between the two
 pivotal concepts Then he runs the whole gamut of description concerning the Holy Spirit from how to discern the spirits to
 the way to Spirit filled lives If you would like more sermons that accurately explain the Word of the Bible including the
