Trauma and Spirituality in Ethnic American Women's Novels Marinella Rodi-Risberg, 2025-01-15 *Trauma and Spirituality in Ethnic American Women's Novels* examines a genre of ethnic American women's literature which the author calls spiritual trauma narratives that testify to traumas caused by epistemological violence wreaked by ongoing colonialism systematic racism and marginalization grounded in a binary hierarchical and supremacist post Enlightenment epistemology that negates the spiritual knowledge of interconnectivity found in people of color's belief systems Placing

trauma theory in productive conversation with women of color feminist studies Marinella Rodi Risberg explores literary texts by Chicana African American and Native American authors that engage readers in the protagonists transformative encounters with ancestral knowledge through symbols ritual dreaming storytelling and interactions with the natural world In this way the author argues they model a shift in awareness regarding historical and present traumas including slavery genocide racial and sexual violence highlighting the importance of literature as a site of knowledge production and resistance

Healing Haunted Histories Elaine Enns,Ched Myers,2021-02-01 Healing Haunted Histories tackles the oldest and deepest injustices on the North American continent Violations which inhabit every intersection of settler and Indigenous worlds past and present Wounds inextricably woven into the fabric of our personal and political lives And it argues we can heal those wounds through the inward and outward journey of decolonization The authors write as and for settlers on this journey exploring the places peoples and spirits that have formed and deformed us They look at issues of Indigenous justice and settler response ability through the lens of Elaine s Mennonite family narrative tracing Landlines Bloodlines and Songlines like a braided river From Ukrainian steppes to Canadian prairies to California chaparral they examine her forebearers immigrant travails and trauma settler unknowing and complicity and traditions of resilience and conscience And they invite readers to do the same Part memoir part social historical and theological analysis and part practical workbook this process invites settler Christians and other people of faith into a discipleship of decolonization How are our histories landscapes and communities haunted by continuing Indigenous dispossession How do we transform our colonizing self perceptions lifeways and structures And how might we practice restorative solidarity with Indigenous communities today

Weaving New Perspectives Together María Alonso Alonso,Jeannette Bello Mota,Alba de Béjar Muíños,2012-04-25 The present volume seeks to offer a novel and interdisciplinary overview of the question of literary interpretation and the numerous perspectives current in the field today Written by early career researchers and enriched with the important contributions of three senior lecturers the articles contained in this compilation are devised to work as a multi faceted whole that may at the same time give inspiration to students and constitute a guide to more experienced scholars Acting as an integrating entity that agglutinates works from scholars across Europe the editors consider this book to be a clear example of the dynamism of present day literary studies and of the numerous ways in which literature can speak to people Following Margaret Atwood s statement The answers you get from literature depend on the questions you pose this volume may be said to possess the potential to provide as many answers as it poses new questions which will stimulate future research in the field

If God Meant to Interfere Christopher Douglas,2016-05-12 The rise of the Christian Right took many writers and literary critics by surprise trained as we were to think that religions waned as societies became modern In If God Meant to Interfere Christopher Douglas shows that American writers struggled to understand and respond to this new social and political force Religiously inflected literature since the 1970s must be understood in the context of this unforeseen

resurgence of conservative Christianity he argues a resurgence that realigned the literary and cultural fields Among the writers Douglas considers are Marilynne Robinson Barbara Kingsolver Cormac McCarthy Thomas Pynchon Ishmael Reed N Scott Momaday Gloria Anzald a Philip Roth Carl Sagan and Dan Brown Their fictions engaged a wide range of topics religious conspiracies faith and wonder slavery and imperialism evolution and extraterrestrial contact alternate histories and ancestral spiritualities But this is only part of the story Liberal leaning literary writers responding to the resurgence were sometimes confused by the Christian Right s strange entanglement with the contemporary paradigms of multiculturalism and postmodernism leading to complex emergent phenomena that Douglas terms Christian multiculturalism and Christian postmodernism Ultimately If God Meant to Interfere shows the value of listening to our literature for its sometimes subterranean attention to the religious and social upheavals going on around it [Here and There](#) Bill Conlogue,2015-06-13

The global economy threatens the uniqueness of places people and experiences In *Here and There* Bill Conlogue tests the assumption that literature and local places matter less and less in a world that economists describe as flat politicians believe has globalized and social scientists imagine as a global village Each chapter begins at home journeys elsewhere and returns to the author s native and chosen region northeastern Pennsylvania Through the prisms of literature and history the book explores tensions and conflicts within the region created by national and global demand for its resources fertile farmland forest products anthracite coal and college educated young people Making connections between local and global environmental issues *Here and There* uses the Pennsylvania watersheds of urban Lackawanna and rural Lackawaxen to highlight the importance of understanding and protecting the places we call home **Mineral Rites** Bob

Johnson,2019-03-26 An archaeology of Western energy culture that demystifies the role that fossil fuels play in the day to day rituals of modern life Spanning the past two hundred years this book offers an alternative history of modernity that restores to fossil fuels their central role in the growth of capitalism and modernity itself including the emotional attachments and real injuries that they generate and command Everything about us our bodies minds sense of self nature reason and faith has been conditioned by a global infrastructure of carbon flows that saturates our habits thoughts and practices And it is that deep energy infrastructure that provides material for the imagination and senses and even shapes our expectations about what it means to be fully human in the twenty first century In *Mineral Rites* Bob Johnson illustrates that fossil fuels are embodied today not only in the morning commute and in home HVAC systems but in the everyday textures rituals architecture and artifacts of modern life In a series of illuminating essays touching on such disparate topics as hot yoga electric robots automobility the RMS Titanic reality TV and the modern novel Johnson takes the discussion of fossil fuels and their role in climate change far beyond the traditional domains of policy and economics into the deepest layers of the body ideology and psyche An audacious revision to the history of modernity *Mineral Rites* shows how fossil fuels operate at the level of infrapolitics and how they permeate life as second nature
