Fundamentals Of Media Effects 2nd Second Edition By Jennings Bryant Susan Thompson Bruce W Finklea 2012 :

Fundamentals of Media Effects Jennings Bryant, Susan Thompson, Bruce W. Finklea, 2012-05-03 Mass medias potential to influence audience beliefs and behavior is a subject that has long fascinated scholars and the general public The ongoing interest and concern are reflected in the common tendency to blame the media for many of societys problems This extensively revised and updated edition cuts through popular notions of presumed effects to provide a balanced informed up to date treatment of the media effects literature The clear compelling presentation illuminated by dozens of new photographs equips readers with a fundamental understanding of the history theoretical underpinnings and current status of media effects research knowledge that will help them navigate in a media saturated environment Several outstanding elements distinguish the Second Edition of Fundamentals of Media Effects New chapters explore the impact of computer video games the effects of the Internet and social networking sites and the way mobile communication devices have transformed the way we live An extensive new chapter on childrens educational television describes the considerable body of research that supports positive effects like language development and flexible thinking skills Framing studies are covered in a separate chapter where they are distinguished both theoretically and experimentally from agenda setting and priming Finally the authors provide overviews of classic and current research studies in an invaluable feature called Research Spotlight which enable readers to envision how theories translate into research

Fundamentals of Media Effects Jennings Bryant, Bruce W.

Finklea, 2022-12-08 Media permeate our lives and are so omnipresent that we take them for granted and overlook their impact Mobile communication devices the internet and social networking sites have transformed the way we live The media inform us about everything from a polarized electorate to a global pandemic The potential of media to influence beliefs and behavior is a longstanding topic in media research This thoroughly revised edition offers an up to date look at media effects literature Fundamentals of Media Effects 3 e begins with a historical overview of media effects and then covers foundational theories Research spotlights throughout the text help readers understand how theories translate into specific studies Understanding the history and theory behind media effects scholarship aids readers in navigating the media saturated environment The final section looks at effects in ten key areas media violence media sexual content frightening media content political communication health stereotyping educational television video games the internet and mobile communication For more than two decades the primary goal of Fundamentals of Media Effects has been to present the vitally important topic of media effects in an expansive yet comprehensible format Compelling discussions include myriad examples from recent scholarship to engage reader interest Through exploration of mass communication theories and major areas of research readers develop media literacy skills and become better media consumers and producers

Fundamentals of Media Effects Jennings Bryant, Susan Thompson, 2002 Fundamentals of Media Effects is a readable scholarly text geared to undergraduate students in the media effects course The book is divided into three sections Section 1 Overview and History

provides historical evidence for media effects and for societal concern about media effects Section 2 Theory and Concepts includes the concepts and theories that serve as the basis for different types of media effects research The final section Section 3 Key Areas of Research delves into the specific areas of inquiry

The SAGE Handbook of Media Processes and Effects Robin L. Nabi, Mary Beth Oliver, 2009-09-11 Part III emphasizes the various factors that influence the critical functions of message selection and processing central to a host of mass media application contexts

Perspectives on Media Effects Jennings Bryant, Dolf Zillmann, 1986

Media Effects and Society Elizabeth M. Perse, Jennifer Lambe, 2016-08-05 Grounded in theoretical principle Media Effects and Society help students make the connection between mass media and the impact it has on society as a whole The text also explores how the relationship individuals have with media is created therefore helping them alleviate its harmful effects and enhance the positive ones The range of media effects addressed herein includes news diffusion learning from the mass media socialization of children and adolescents influences on public opinion and voting and violent and sexually explicit media content The text examines relevant research done in these areas and discusses it in a thorough and accessible manner It also

presents a variety of theoretical approaches to understanding media effects including psychological and content based theories In addition it demonstrates how theories can guide future research into the effects of newer mass communication technologies The second edition includes a new chapter on effects of entertainment as well as text boxes with examples for each chapter discussion of new technology effects integrated throughout the chapters expanded pedagogy and updates to the theory and research in the text These features enhance the already in depth analysis Media Effects and Society provides

Media Effects W. James Potter,2012-01-03 Media Effects offers students an in depth examination of the media s constant influence on individuals and society W James Potter frames media s effects in two templates influence on individuals and influence on larger social structures and institutions By positioning the different types of effects in the forefront Potter helps students understand the full range of media effects how they manifest themselves and the factors that that are likely to bring these effects into being Throughout the book Potter encourages students to analyze their own experiences by searching for evidence of these effects in their own lives making the content meaningful on a personal level Provided by publisher

Responding To the Screen Jennings Bryant,Dolf Zillmann,2013-11-05 This volume takes the next step in the evolution of mass communication research tradition from effects to processes a more detailed and microanalytical analysis of the psychological processes involved in receiving and reacting to electronic media messages This domain includes investigations into those psychological processes that occur between the process of selecting media messages for consumption and assessments of whatever processes mediate the long term impact such message consumption may have on consumers subsequent behavior The editors strive to further understanding of some of the basic processes underlying the ways we gain entertainment and information Media Effects Research Sparks,2015 **Mass Media Effects Research** Raymond W. Preiss,2007 Offers a set of meta analyses covering the breadth of media effects research Organized by theories outcomes and mass media campaigns the chapters included offer important insights on what social science research reveals about effects This volume is useful for students researchers and graduate students in media effects and media psychology
