you can be certain As you learn the truth about their secretive role in the world you ll be encouraged to see the ways angels are indeed available to help us The Grace of God, the Will of Man Clark H. Pinnock,1989 The Grace of God the Will of Man A Case for Arminianism was written by an impressive team of evangelical scholars from many traditions This work carries on the ancient debate about the scope of God s saving purposes and the manner of his effecting salvation in human beings It defends the proposition that God is a dynamic personal Agent who respects the freedom he chose to delegate to his human creatures and relates sensitively to us in the outworking of his plans for the whole of history God is love and expresses his power by working salvation among us under conditions of genuine mutuality The contributors to this volume are Christian scholars who are eager to present this evangelical model as an alternative to deterministic theology They do not claim to have said the last word on the subject but want at least to keep the ball of theological discussion in play

Angels Among Us Ron Rhodes,2008-01-01 With stories of angelic encounters all around us Reasoning from the Scriptures Ministries president Ron Rhodes delves into the biblical truth about these heavenly beings Some current reports are so utterly remarkable they have captured widespread attention Curiously however many of these seemingly celestial visitors have little in common with the angels of the Bible Angels are very much involved in our lives today of that we can be certain But when it comes to angels how can we tell what is real and what isn t Angels Among Us provides solid biblically based answers to pressing questions through a fascinating and highly inspirational tour of God s Word Readers will discover who angels are what they are like what they do and most exciting of all the ministry they have today This book has sold nearly 150 000 copies and now boasts an updated cover to bring its balanced message to new readers **The Christian Story** Gabriel Fackre,1996 An original work in systematic theology The Christian Story rises from and strives to be a resource to the life and witness of the church and its leadership In addition to covering the standard teachings of Christianity the doctrines of God creation the fall covenant Christ salvation church and consummation Volume 1 presents Fackre s introduction to systematic theology This revised third edition develops in more detail the doctrine of the Trinity takes up the issues of religious pluralism and Jewish Christian dialogue and offers a perspective on angelology New appendices discuss inclusive language and describe the surge of writing in the field of systematic theology African Christian Ethics Samuel Waje Kunhiyop,2019-04-09 An introduction to African Christian ethics for Christian colleges and Bible schools African Christian Ethics is divided into two main parts The first deals with the theory of ethics while the second discusses practical issues The issues are grouped into the following six sections Socio Political Issues Financial Issues Marriage Issues Sexual Issues Medical Issues Religious Issues Each of these six section begins with a brief general introduction followed by the chapters dealing with specific issues in that area Each chapter begins with an introduction discusses traditional African thinking on the issue presents an analysis of relevant biblical material and concludes with some recommendations There are questions at the end of each chapter for discussion or personal reflection often asking students to reflect on how the
