A. Richmond,1980 **French Defence, Tarrasch Variation** Massimo Luccioni,1995 *The French* Steffen Pedersen,2005

This book continues the coverage of the French Defence that was begun by Pedersen in *The Main Line French 3 Nc3* It is essential reading for all those who play the French and for those who meet it with the popular and flexible Tarrasch Variation The Tarrasch Variation provides a stern test for the French Defence and has always been a favourite of strategically minded players such as Michael Adams and Anatoly Karpov By putting his knight on d2 White seeks to give his opponent little scope for counterplay and in many of the traditional lines ends up with a slight positional advantage that can prove extremely difficult to neutralize This has led to Black developing various sharper approaches which complicate the play considerably at the cost of greater risk Notable among these lines are systems with 3 Nf6 where Black sacrifices material to gain the initiative and the modern main line 3 c5 4 exd5 Qxd5 where Black keeps his pawn structure healthy at the cost of some tempi To get the most out of these lines as either colour thorough up to date knowledge is essential and this book supplies it in abundance

The French Tarrasch John Emms,1998 The Tarrasch Variation is White's soundest response to the French Defence and is favoured by positional and tactical players alike The Modernized French Defense - Volume 2: Against the Tarrasch Miedema,2020-09-22 The Tarrasch variation of the French Defense is reached after 1 e4 e6 2 d4 d5 3 Nd2 This is one of the most positional treatments White has available Using his typical funny and dynamic writing style David shows that it is possible to play solidly but also remain with the dynamic elements Black has available He recommends several creative lines even a bit off the beaten track but which he has very carefully worked out over the several years of his own practice Again Miedema and his love for the French Defense shines through his second volume the third and final being available at the end of this year
