How To Read And Write About Poetry By Susan Holbrook :

How to Read (and Write About) Poetry - Second Edition Susan Holbrook, 2021-10-08 How to Read and Write About Poetry invites students and others curious about poetry to join the critical conversation about a genre many find a little mystifying even intimidating In an accessible engaging manner this book introduces the productive questions reading strategies literary terms and secondary research tips that will empower readers to participate in literary analysis Holbrook explicates a number of poems initiating readers into critical discourse while highlighting key poetic terms The explications are followed by selections of related works so the book thus offers what amounts to a brief anthology ideal for a poetry unit or introductory class on poetry and poetics A chapter on meter illuminates the rhythmic dimension of poetry and guides readers through methods of scansion The second edition is updated throughout and includes a fresh selection of poems and the latest MLA citation guidance

How to Read (and Write About) Poetry Susan Holbrook, 2015-07-07 How to Read and Write About Poetry invites students and others curious about poetry to join the critical conversation about a genre many find a little mystifying even intimidating In an accessible engaging manner this book introduces the productive questions reading strategies literary terms and secondary research tips that will empower readers to participate in literary analysis Holbrook explicates a number of meaty poems initiating readers into critical discourse while highlighting key poetic terms These useful terms are fully defined in a glossary at the back of the book The explications are followed by selections of related works so the book thus offers what amounts to a brief anthology ideal for a poetry unit or introductory class on poetry and poetics Readers can bring some of the new skills they've acquired to these selections which range across periods and styles A chapter on meter illuminates the rhythmic dimension of poetry and guides readers through methods of scansion Holbrook also offers guidance on essay writing preparing students for literary discussion within and beyond the classroom The conciseness of the book makes it portable and affordable while its various instructive components make it a resource that will continue to serve its readers as their explorations of poetry continue

Teaching Creative Writing in Canada Darryl Whetter, 2024-12-04 Teaching Creative Writing in Canada maps the landscape of Creative Writing programmes across Canada Canada's position both culturally and physically as a midpoint between the two major Anglophone influences on Creative Writing pedagogy the UK and the USA makes it a unique and relevant vantage for the study of contemporary Creative Writing pedagogy Showcasing writer professors from Canada's major Creative Writing programmes the collection considers the climate crisis contemporary workshop scepticism curriculum design programme management prize culture grants and interdisciplinarity Each chapter concludes with field tested writing advice from many of Canada's most influential professors of fiction poetry creative nonfiction and drama This authoritative volume offers an important national perspective on contemporary and timeless issues in Creative Writing pedagogy and their varied treatment in Canada It will be of valuable to other creative teachers and practitioners those with an interest in teaching and learning a creative art and anyone working

on cultural and educational landscapes

Reading Poetry Tom Furniss, Michael Bath, 2022-04-06 Reading Poetry offers a comprehensive and accessible guide to the art of reading poetry. Discussing more than 200 poems by more than 100 writers ranging from ancient Greece and China to the twenty-first century, the book introduces readers to the skills and the critical and theoretical awareness that enable them to read poetry with enjoyment and insight. This third edition has been significantly updated in response to current developments in poetry and poetic criticism and includes many new examples and exercises, new chapters on world poetry and eco poetry, and a greater emphasis throughout on American poetry, including the impact traditional Chinese poetry has had on modern American poetry. The seventeen carefully staged chapters constitute a complete apprenticeship in reading poetry, leading readers from specific features of form and figurative language to larger concerns with genre, intertextuality, Caribbean poetry, world poetry, and the role poetry can play in response to the ecological crisis. The workshop exercises at the end of each chapter, together with an extensive glossary of poetic and critical terms and the number and range of poems analysed and discussed (122 of which are quoted in full), make Reading Poetry suitable for individual study or as a comprehensive self-contained textbook for university and college classes.

Ink Earl Susan Holbrook, 2021-10-12 Shortlisted for the ReLit 2022 Poetry Award, Ink Earl takes the popular subgenre of erasure poetry to its illogical conclusion. Starting with an ad copy that extols the iconic Pink Pearl eraser, Holbrook erases and erases, revealing more and more. Rubbing out different words from this decidedly non-literary, non-canonical source text, she was left with the promise of 100 essays and set about to find them. Among her discoveries are queer love poems, art projects, political commentary, lunch songs, and entire extended families. The absurdity of the constraint lends itself to plenty of fun and funny, while reminding us of truths assiduously erased by normative forces. Ink Earl's variations are testament in micro to the act of poesis as not so much a building as an intrepid series of effacements: we rub away at the walls of language we've lived within in order to release both what's been written over and what we want to say now.

Writer's Market 2020 Robert Lee Brewer, 2019-11-05 The Most Trusted Guide to Getting Published. Want to get published and paid for your writing?
