Thinking about going into teaching ESL/EFL/ESOL Damian Johnstone,2020-07-30 This short book is for you if you are considering going into the field of teaching English as a second foreign language whether English is your first native language or not I have written it with those who are contemplating pursuing English teaching ESL EFL or ESOL as a career option particularly in mind but it would also be of interest to individuals who might be thinking about engaging in English teaching on a short term or voluntary basis My purpose in writing this book is to help you decide whether or not teaching English as a second foreign language is something you might want to pursue Based upon my own experience of teaching English as a second language and my knowledge of the English language teaching field more broadly I discuss what it is like in practical terms to be an ESL EFL ESOL teacher what the job involves and what to expect beyond the practicalities to give some insight into how EFL teachers think about their task the skills qualities and knowledge needed to be an ESL EFL ESOL teacher the kind of opportunities available I also give some ideas about where to begin with getting into English teaching and I provide recommendations on how to find out more about the field Although the focus of this book is the teaching of the English language much of what is written will be equally relevant to teaching any language So if English is not your first language and you are interested in teaching your native language to those who do not know it this book is for you too

How to Write a Behavioral Objective Salman Salem Salem Al-Maliky,2020-09-25 It aims at helping teachers to write behavioral objectives

[The Practice of Foreign Language Teaching](#) Azamat Akbarov,2015-10-05 The Practice of Foreign Language Teaching Theories and Applications is a collection of

essays which will appeal to teachers of modern languages no matter the level of instruction The volume analyzes the concepts of foreign language education and multicultural competence including the notion of the intercultural speaker It also discusses the ways in which language education policy develops by comparing the theories and purposes of foreign language education The essays collected here highlight the various different methods and approaches in language teaching and introduce more experienced teachers to new approaches and teaching ideas The book will also provide language instructors with the theoretical background and practical solutions they need to decide which approaches materials and resources can and should be used in their L2 classrooms
