I Know Who Holds Tomorrow A Novel:

I Know Who Holds Tomorrow Francis Ray, 2012-10-30 From a New York Times bestselling author comes an emotionally charged novel of heartache, hope, and the healing power of second chances *I Know Who Holds Tomorrow*

Francis Ray, 2002-04-20 From the New York Times bestselling author, a tale of ultimate betrayal, family secrets, and shame, the power of love, and unselfishness of the human spirit.

Donna Hill, Essence bestselling author, In her mind's eyes, she could see Wes tall and elegant in his tailored tuxedo with a patterned vest, black tie, and snow white pocket square. Her red Valentino slip gown highlighted her honeyed complexion and chocolate brown eyes. The gown also picked up the red in Wes's vest and the red in the rose in his lapel. They were the perfect couple, and it was show time. And she wanted to scream.

Madison Reed, popular talk show host and America's darling, and her husband, well-known TV correspondent Wes Reed, are everyone's idea of the perfect couple. No one knows that after the loss of their child, they became no more than polite strangers, maintaining the facade, revealing only picture-perfect happiness. But Madison's world is turned upside down when Wes is critically injured in a car accident and a woman is killed. Before he dies, Wes confesses that the woman who was killed was his mistress and that he is the father of her nine-month-old daughter. He begs Madison to raise the child. Unsure if she can, Madison struggles to take charge of her fate and put her life back together. Overwhelmed, she accepts the help of her husband's best friend, only to discover that his life is also shrouded by lies. Can she forgive and forget, not just once but twice?

With flair, Francis Ray gives each character immense heart and humanity.

The Chrysalis Andrea S. Johnson-Thompson, 2021-10-06 Butterflies are symbols of transformation. The metamorphosis of a caterpillar into a butterfly is one of the most profound wonders of nature. Butterflies are deep and powerful representations of life, and many cultures associate the butterfly with the soul. The Christian religion sees the butterfly as a symbol of resurrection. Around the world, people view the butterfly as representing endurance, change, hope, and life. It is my heartfelt prayer this book will transcend religions and languages. It was written for the called of God, Psalm 4:3, and the call waiting of God, 1 Kings 19:18. This book hopes to speak to the faithful remnant who have been set apart to do God's bidding and who have been set aside for God's kingdom assignment on earth. I believe God held these people close to Himself in reserve for the end-time glory that will hit the earth. When we, who were once caterpillars, are changed into a

butterfly purpose destiny and the manifestation of the prophetic word of God over our lives make up the beauty of our wings As is the case with each butterfly the pattern size and diverse colors of our wings are unique to our own individual calling and assignment Our metamorphosis changes us from the inside out and it empowers us to go out into the world and become disciples of men There are many different species of butterflies and no two are alike In the same way we are all different but our individual divine assignments are all interconnected and work cohesively to see Thy kingdom come thy will be done in earth as it is in heaven
