IPAT TEST REPORT

Well done for completing IPAT. This report provides you with valuable feedback on your performance.

How well did you do?

Although organisations may use many descriptors for looking at your score (e.g. 1 score, 2 stars, 3 stars), the majority tend to look at percentiles. Percentiles tell you how well you have done in comparison to others in similar positions. For example, a graduate will be compared against a graduate group of individuals.

Your score was compared against a group of similar graduates, who took this test. You scored at the 75th percentile which means that you did better than 75% of this comparison group.
