Making Urban History Bruce M. Stave, 1977-08 **The making of urban history** Bruce M. Stave, Sage Publications
cop, 1977 The Making of Urban History : 1bv Historiography Through Oral History Bruce M. Stave, 1977 *Doing Oral History* Donald A. Ritchie, 1995 In this thorough guide to oral history theory methods and practice Donald A Ritchie a prominent U S scholar in the field synthesizes and builds on the extensive literature in manuals and fieldwork guides to provide the first oral history handbook to address individual researchers as well as organized project teams whether novices or veterans in the field to cover videotaping as well as audio recording and to support both teachers and archivists in their use of oral history records Illustrating his guidelines with colorful examples from a wide range of fascinating projects Ritchie offers clear practical and detailed advice on such issues as obtaining funding staffing and equipment conducting interviews publishing videotaping preserving materials teaching oral history and using oral histories in museums on radio in therapy and in interactive video Throughout Ritchie stimulates researchers to consider and focus on the unique aspects of their individual projects as well as the special rewards and results of the recordings they make As he states at the outset Ritchie s emphasis is on doing His definitive guide provides all the practical advice and explanations contemporary oral historians require to turn their ideas and goals into action and to create recordings that illuminate human experience for generations to come BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved **Preparing the Next Generation of Oral Historians** Barry A. Lanman, Laura M. Wendling, 2006-05-11 Preparing the Next Generation of Oral Historians is an invaluable resource to educators seeking to bring history alive for students at all levels Filled with insightful reflections on teaching oral history it offers practical suggestions for educators seeking to create curri *History of Oral History* Thomas Lee Charlton, Lois E. Myers, Rebecca Sharpless, 2007 Gathered here are parts I and II of the Handbook of Oral History which set the benchmark for knowledge of the field The eminent contributors discuss the history and methodologies of a field that once was the domain of history scholars who were responding to trends within the academy but which has increasingly become democratized and widely used outside the realm of historical research This handbook will be both a traveling guide and essential touchstone for anyone fascinated by this dynamic and expanding discipline **Oral History for the Local Historical Society** Willa K. Baum, 1995 A practical step by step guide for gathering history from the people who ve experienced it Oral History for the Local Historical Society a classic in the field for three decades tells you how to start an oral history program in your community how to select the right equipment and how to interview people whose memories are a living connection to the past Baum goes on to demonstrate what you do when the interviews are collected instructing you how to transcribe and index them store them and make them available to the public for research Oral History for the Local Historical Society is an invaluable tool for anyone who has ever wanted to capture the story of the past in his or her local community *The Voice of the Past* Paul Thompson, Joanna Bornat, 2017 Oral history gives history

back to the people in their own words And in giving a past it also helps them towards a future of their own making Oral history and life stories help to create a truer picture of the past and the changing present documenting the lives and feelings of all kinds of people many otherwise hidden from history It explores personal and family relationships and uncovers the secret cultures of work It connects public and private experience and it highlights the experiences of migrating between cultures At the same time it can bring courage to the old meaning to communities and contact between generations Sometimes it can offer a path for healing divided communities and those with traumatic memories Without it the history and sociology of our time would be poor and narrow In this fourth edition of his pioneering work fully revised with Joanna Bornat Paul Thompson challenges the accepted myths of historical scholarship He discusses the reliability of oral evidence in comparison with other sources and considers the social context of its development He looks at the relationship between memory the self and identity He traces oral history through its own past and weighs up the recent achievements of a movement which has become international with notably strong developments in North America Europe Australia Latin America South Africa and the Far East despite resistance from more conservative academics This new edition combines the classic text of *The Voice of the Past* with many new sections including especially the worldwide development of different forms of oral history and the parallel memory boom as well as discussions of theory in oral history and of memory trauma and reconciliation It offers a deep social and historical interpretation along with succinct practical advice on designing and carrying out a project *The Voice of the Past* remains an invaluable tool for anyone setting out to use oral history and life stories to construct a more authentic and balanced record of the past and the present
