

8. _____ In the prison baseball scene when Brother Baines talks about African history to Malcolm, why do the filmmakers show a lengthy **pan** of Black prisoners listening?
- to emphasize that Malcolm's awakening is not just personal but part of a collective Black experience
 - to foreshadow that they will later rebel against the prison system with a riot or uprising
 - to stretch out the scene for pacing reasons rather than having any symbolic meaning
 - to suggest the racial diversity of the prison population
9. _____ How is Malcolm indirectly characterized by the action of straightening his hair?
- It conveys his desire to rebel against authority and establish himself as a leader.
 - It implies his rejection of white beauty norms and embrace of Black self-acceptance and pride.
 - It reflects his early desire to assimilate and gain social status by altering his natural appearance.
 - It suggests an awareness about his true cultural identity and his African heritage.
10. _____ What is **ironic** and hypocritical that Malcolm learns about Elijah Muhammad?
- He believed that Black women were superior to Black men, yet he only allowed men to be leaders in the Nation of Islam.
 - He insisted that Black women be well-educated, yet he believed they should never speak in public.
 - He preached strict moral and behavioral guidelines for Black men and women, yet his own actions contradicted these teachings.
 - He taught that men and women were completely equal, yet he discouraged women from working outside the home.
11. _____ How is Malcolm indirectly characterized when he decides not to straighten his hair anymore?
- It implies his desire to assimilate and belief to a system that devalues Blackness.
 - It implies his pursuit of external validation to define himself.
 - It implies his rejection of white beauty norms and embrace of Black self-acceptance and pride.
 - It implies his wish to blend into or conform to society more.
12. _____ What **costume** change do the film makers make for Malcolm to underscore his **dynamic characterization** and religious transformation?
- He wears flashy zoot suits, colorful ties, and wide-brimmed hats.
 - He wears military fatigues to show his fight against racial oppression.
 - He wears simple black glasses.
 - He wears traditional African robes to symbolize his embrace of his African heritage.
13. _____ How do Elijah Muhammad and the Nation of Islam followers dress? Why? How do their **costumes** indirectly characterize them?
- Their all-white clothing symbolizes purity and their spiritual rebirth.
 - Their casual clothing shows their connection to everyday people like you and me.
 - Their conservative, formal attire reflects their discipline, unity, and moral purity.
 - Their traditional African garments emphasize their cultural roots.
14. _____ How does Elijah Muhammad's office and its **set design** indirectly characterize him?
- The set design features luxurious furnishings and elegant decor, symbolizing his elevated status.
 - The set design features small and plain items, reflecting his humility and self-imposed poverty.
 - The set design features traditional African art to connect him to his African heritage.
 - The set design features prayer rugs and religious artifacts, emphasizing his deep spiritual devotion.
15. _____ How did Malcolm X choose his name? What can his name **symbolize** to him?
- It symbolizes his lost African surname that was taken from his ancestors by white slave masters.
 - It symbolizes his desire to be cool and mysterious.
 - It symbolizes the embrace of his assimilation to others who have surnames.
 - It symbolizes the power for public speaking that he knew would add dramatic effect.

American Literature and American Identity Patrick Colm Hogan,2021-11-10 In recent years cognitive and affective science have become increasingly important for interpretation and explanation in the social sciences and humanities However little of this work has addressed American literature and virtually none has treated national identity formation in influential works since the Civil War In this book Hogan develops his earlier cognitive and affective analyses of national identity further exploring the ways in which such identity is integrated with cross culturally recurring patterns in story structure Hogan examines how authors imagined American identity understood as universal democratic egalitarianism in the face of the nation's clear and often brutal inequalities of race sex and sexuality exploring the complex and often ambivalent treatment of American identity in works by Charlotte Perkins Gilman Eugene O'Neill Lillian Hellman Djuna Barnes Amiri Baraka Margaret Atwood N Scott Momaday Spike Lee Leslie Marmon Silko Tony Kushner and Heidi Schreck **Opening Doors** Joe Cortina,Janet Elder,Katherine Gonnet,1995 This text presents a systematic way of approaching college textbook material that is designed to make students more efficient in their reading and studying It reinforces the essential skills of identifying the topic main idea and supporting details and also provides strategies for important skills ranging from predicting and questioning actively as you read to selecting organizing and rehearsing textbook material for a test

Instructors Manual/Test Item File Darlene Clark Hine,2002-07 **Occupied Reading** Alan A. Block,2023-05-31 Today's growing national concern about education centers on the paramount importance of teaching reading and writing This volume offers a rigorous examination of reading and the pedagogy of reading critically The book examines the crucial role of reading in the education of the child for the year 2000 and explores the history of reading and readers in America while surveying the attendant literacy debates The author examines the historical progress of American reading instruction demonstrating that

how one is taught to read not only determines what one will read but also what is permissible to read and how pedagogies of reading define reading publics An important chapter focuses on reading as a process of identity construction that creates not only a text but shapes the person who reads that text The book also describes reading as a psychological process in which the creative act of manipulating the text produces the self and the world A final chapter discusses reading as the center of the educational system and examines methodologies An index is provided On Course with Understanding Plagiarism Guide

and Planner Skip Downing,Wadsworth Publishing Staff,2008-06-15

Learning to Predict and Predicting to Learn

Thomas DeVere Wolsey,Douglas Fisher,2009 Featuring practical instructional routines that are clearly linked to cognitive strategies students need to make sense of text this book combines a rationale written from the perspective of current research that supports the use of the strategy or instructional routine with clear step by step directions and multiple examples from the classroom experiences of teachers across the United States These experiences appear as boxed features that are easily identifiable by the reader The text is written in such a way that readers may start on page one and work through the end of the book or use the book as a reference for their own practice or as an inservice tool Each cognitive strategy is linked via convenient matrices to the instructional routines that promote precision thinking on the part of students Features Differentiation between cognitive strategies for students and instructional routines teachers might use Provides teachers and preservice teachers with a means to think about the tools they use to promote cognitive proficiency on the part of students Often strategies are used a catch all term that does not clarify the difference between what teachers do and how students incorporate learn from those routines Boxed features Real teachers explain how they have used the tools discussed in the book Provides teachers with examples to which they may be able to relate Instead of an isolated example the voices of classroom teachers will explain how they have implemented instructional routines or promoted cognitive strategies for their students Sound rationale coupled with step by step procedures Teachers often like to know what works but many texts ignore their need and desire to know why a strategy or routine works This text links rationale with tools so that readers will be able to explain why they are using a routine or assisting students to use cognitive tools to understand how they might think more precisely about the books they read Theme Prediction Prediction is a popular request teachers make of their students but often teachers lack sufficient experience or rationale to know how students might use prediction to increase precision in thinking about books and other texts they read Approach Combination of both theoretical and research with useful tools students and teachers can implement tomorrow Many books take either a theoretical approach with little classroom application provided or a practical approach that does not help teachers understand why a given tool is useful and under what circumstances This book combines the best of both approaches to help teacher readers understand why a strategy or routine is worth the instructional time that might be devoted to it Test Bank to Accompany Liberty, Equality, Power:
