Here are a few guidelines:

- You must answer at least one question from each chapter.
- You may answer no more than 5 questions from any one chapter.
- I am e-mailing this question list to you so that you may directly type your answers or insert pictures/charts after the question. The completed assignment must be sent to me as a computer file, not as hard copy.
- You will also receive a hard copy of these questions in class along with the book.
- You may delete the questions that you do not answer.
- All answers must be in your own words using proper terminology. Do not simply copy what you find from a Web site.
- Before you turn the completed assignment in, make sure to check for spelling and grammatical errors. In MS Word, avoid "wobble lines" under the text you submit; they indicate improper English.
