Summary of Lanie Stevens's How To Make Him BURN With Desire Only for YOU Everest

Media,2022-04-26T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 You can make a man desire you with just your physical presence You don't have to do anything special just be yourself and men will want you Men want a woman who is desirable not just a receptacle for their sexual release 2 The 4 11 plain woman with buckteeth and a squat body is an example of how powerful this technique is If she could have her pick of the litter then any woman with anything to offer could do the same or better 3 The secret to getting any man you want is to use your mind to make him desire you It is not about strong arming him to see the error of his ways You don't have to convince him that you are the best woman for him You just have to get him to desire you 4 The easy part of getting a man to want you and desire you is over Now the hard part begins making sure that even if you never change a thing about yourself he will be blinded by the love and desire he has for you
