I Forgot To Die:

I Forgot to Die Khalil Rafati, 2015 Khalil Rafati went to Los Angeles in the 1990s and had it all He was working with Hollywood movie stars and legendary rock musicians but it wasn't long before he found his way into the dark underbelly of the City of Angels When he hit rock bottom addicted to heroin and cocaine overtaken by paranoia and psychosis written off by his friends and family he grabbed a shovel and kept digging At 33 Khalil was 109 pounds a convicted felon high school dropout and homeless junkie living on the infamous Skid Row in downtown L A , [I Forgot to Stay Sober](#) J.T. Wahlberg, 2021-02-05 After two decades of mental emotional and physical afflictions J T Wahlberg had had enough and he was all set to end his twenty year addiction to alcohol There was just one problem he forgot to research the potential risks of detoxing on his own without any medical supervision Armed with cans of Campbell's Chunky soup plenty of water and a few tips he had picked up from the movie Trainspotting he hunkered down in his apartment for what he imagined would be a couple of days of pain followed by a life of sunny sobriety Instead it's a miracle he survived to tell his story In between describing his harrowing do it yourself alcohol withdrawal experience Wahlberg recounts how and why he became addicted to alcohol in the first place the negative effects his addiction had on his health and his personal and professional life and his unconventional approach to sobriety over the past six years He also offers a blistering critique of alcohol's socially accepted and yet destructive role in society and urges readers to reconsider their relationship to this highly addictive substance

The Mindful Caregiver, 2nd edition Nancy L. Kriseman, 2025-09-18 The Mindful Caregiver was first published in 2014 Since then the caregiving landscape has changed dramatically creating cascading effects and increased challenges for caregivers Caregivers are having to care for elders who are now living into their 80's and beyond often with multiple health issues Many caregivers are baby boomers which as a generation is getting older and facing their own health problems Additionally many are staying in the workforce longer which requires them to balance or even set aside their own needs to care for their elder family members On top of that many baby boomers are caring for ill or frail spouses partners or even raising their grandchildren In the second edition of The Mindful Caregiver existing chapters will be updated and two new chapters will be added One new chapter will focus on resistance which manifests in many different forms for the care recipient and for family members Examples include an elder with dementia that refuses to give up driving or siblings that disagree about moving a family member from their home This chapter will provide ideas and examples of how to work with resistance The second new chapter will focus on resilience and self care Caregivers will learn how to nurture resilience so that they can cope more effectively both emotionally and spiritually Armed with this information my hope is that caregivers can become mindful caregivers and feel more empowered supported and equipped to be the best caregiver they can be Sustaining oneself throughout the caregiving journey takes tremendous courage patience and strength My hope is that the new edition of The Mindful Caregiver will inspire caregivers to find meaning in their caregiving experience **I Forgot to**
