David Baird, 2020-01-23 In the 1950s and 1960s Churches of Christ were the fastest growing religious organization in the United States The churches flourished especially in southern and western states including Oklahoma In this compelling history historian W David Baird examines the key characteristics individuals and debates that have shaped the Churches of Christ in Oklahoma from the early nineteenth century to the beginning of the twenty first century Baird s narrative begins with an account of the Stone Campbell movement which emerged along the American frontier in the early 1800s Representatives of this movement in Oklahoma first came as missionaries to American Indians mainly to the Cherokees Chickasaws and Choctaws Baird highlights the role of two prominent missionaries during this period and he next describes a second generation of missionaries who came along during the era of the Twin Territories prior to statehood In 1906 as a result of disagreements regarding faith and practice followers of the Stone Campbell Movement divided into two organizations Churches of Christ and Disciples of Christ Baird then focuses solely on Churches of Christ in Oklahoma all the while keeping a broader national context in view Drawing on extensive research Baird delves into theological and political debates and explores the role of the Churches of Christ during the two world wars As Churches of Christ grew in number and size throughout the country during the mid twentieth century controversy loomed Oklahoma s Churches of Christ argued over everything from Sunday schools and the support of orphan s homes to worship elements gender roles in the church and biblical interpretation And nobody could agree on why church membership began to decline in the 1970s despite exciting new community outreach efforts This history by an accomplished scholar provides solid background and new insight into the question of whether Churches of Christ locally and nationally will be able to reverse course and rebuild their membership in the twenty first century **The American Music Teacher** ,2004 *Encyclopedia of American Gospel Music* W.
