Lord Arthur Saviles Crime And Other Stories Test:

Complete Shorter Fiction Oscar Wilde,1998 For the first time in one volume this complete collection of all the short fiction Oscar Wilde published contains such social and literary parodies as Lord Arthur Savile's Crime and The Canterville Ghost such well known fairy tales as The Happy Prince The Young King and The Fisherman and his Soul an imaginary portrait of the dedicatee of Shakespeare's Sonnets entitled The Portrait of Mr W H and the parables Wilde referred to as Poems in Prose including The Artist The House of Judgment and The Teacher of Wisdom The Short Stories of Oscar Wilde Oscar Wilde,2020-11-17 An innovative new edition of nine classic short stories from one of the greatest writers of the Victorian era I cannot think other than in stories Oscar Wilde once confessed to his friend Andr Gide In this new selection of his short fiction Wilde's gifts as a storyteller are on full display accompanied by informative facing page annotations from Wilde biographer and scholar Nicholas Frankel A wide ranging introduction brings readers into the world from which the author drew inspiration Each story in the collection brims with Wilde's trademark wit style and sharp social criticism Many are reputed to have been written for children although Wilde insisted this was not true and that his stories would appeal to all those who have kept the childlike faculties of wonder and joy Lord Arthur Savile's Crime stands alongside Wilde's comic masterpiece The Importance of Being Earnest while other stories including The Happy Prince the tale of a young ruler who had never known sorrow and The Nightingale and the Rose the story of a nightingale who sacrifices herself for true love embrace the theme of tragic forbidden love and are driven by an undercurrent of seriousness even despair at the repressive social and sexual values of Wilde's day Like his later writings Wilde's stories are a sweeping indictment of the society that would imprison him for his homosexuality in 1895 five years before his death at the age of forty six Published here in the form in which Victorian readers first encountered them Wilde's short stories contain much that appeals to modern readers of vastly different ages and temperaments They are the perfect distillation of one of the Victorian era's most remarkable writers

The Facts on File Companion to the British Short Story Andrew Maunder,2007 A comprehensive reference to short fiction from Great Britain Ireland and the British Commonwealth With approximately 450 entries this A to Z guide explores the literary contributions of such writers as Joseph Conrad James Joyce D H Lawrence Rudyard Kipling Oscar Wilde Katherine Mansfield Martin Amis and others **Victorian Theatrical Burlesques** Richard Schoch,2018-01-29 First published in 2003 Wildly popular in their own day Victorian burlesques are now little read scarcely studied and never performed Giving long overdue emphasis to an unjustly neglected theatrical tradition this critical edition the first to focus on Victorian burlesques of Victorian plays represents a valuable scholarly tool for students and scholars of modern drama theatre history and nineteenth century popular culture Victorian Theatrical Burlesques includes a state of the art introduction which provides a general overview of theatrical burlesques in the Victorian era emphasising performance history Sustained reference is made to burlesques other than those presented in the anthology Through its general

introduction prefaces and annotations to individual plays checklist of burlesque plays and bibliography the unique volume allows both specialist and non specialist readers to see Victorian burlesques as a rich historical record of shifting attitudes toward drama and the theatre *Lord Arthur Savile's Crime* Trevor Baxter, 2005 Witty and resourceful adaptation of the Oscar Wilde classic The Oxford Handbook of Oscar Wilde , 2025-09-09 The Oxford Handbook of Oscar Wilde puts Wilde the Icon into an expansive literary and dramatic context It offers a readable guide to Wilde studies for the early twenty first century Its chapters reflect Wilde s status as a queer writer while filling in the gaps that this focus have left and looking forward to the next generation of critical studies on Wilde It is designed to appeal to students and those with a general interest in Wilde as well as professional academics Its comprehensive discussions of his writings show how these interact with and transfigure both their age and his life while providing readers with clear and extensive suggestions on approaches to reading thinking and writing about them It is organized in four sections Places Works Intellectual Contexts and Reception The first section on Places tells the story of Wilde s life and intellectual evolution through the places that defined its contours Dublin Oxford London America France and Italy The second section on Wilde s Works provides new and in depth directions to close reading Wilde s writing with generative ideas on the development style structure and significance of each of his major works The section on Intellectual Contexts brings together chapters on the main ideas and cultures of thought that shaped Wilde s thinking from late nineteenth century sexuality and fashion to the ancient world and Charles Darwin s theory of evolution The final section on Reception focuses on the central categories in which Wilde s works and life have been read and influenced cultural movements since his death Wilde s afterlife has been vibrant and chapters in this section include discussions of how he influenced camp and pop alongside the contentious textual history of his works The Complete Works of Oscar Wilde Josephine M. Guy, 2007-09-06 Volume IV of the Oxford English Texts Complete Works of Oscar Wilde is the first variorum edition of Wilde s major critical writing it includes the critical essays which were re published in book form in his life time that is those anthologised in *Intentions* and *The Soul of Man* as well as his graduate essay usually known by the title *The Rise of Historical Criticism* but which this volume titles *Historical Criticism* The Introduction gives a detailed account of the composition of each of the essays it gives a new explanation for the relationship between the *The Decay of Lying* and *Pen Pencil and Poison* arguing that they are best understood as companion pieces it provides the first concrete demonstration that Wilde did on occasions knowingly copy his own work and it reveals that substantial cuts were made to some of Wilde s essays without his full consent by the periodical editors with whom he worked The edition also provides for the first time a full collation of the textual variants between the published versions of Wilde s essays that is both book and periodical and all extant manuscripts in addition it establishes a new authoritative text for *Historical Criticism* based on an examination of the original manuscript which differs significantly from that printed by Robert Ross in his 1908 *Collected Edition* and subsequently reprinted in the Collins *Complete Works* The annotation to the edition reveals the full extent of

Wilde's borrowings both from his own work and from other writers it also reveals that much of Historical Criticism is in fact paraphrasing or translating well known classical texts and that the some of denseness of the argument is due to ellipses in Wilde's text that were disguised by earlier editors *A Map with Utopia* Jody Price,1996 Only recently has Oscar Wilde been perceived as a writer of tremendous sophistication and depth Jody Price now contributes to the exciting new work being done on Wilde She establishes a place for him as a determined social activist who throughout his literary life was attempting to define a theory for social change that would create a society free of intolerance and inequality Price traces the growth of this philosophy through its fragmented appearance in his early writing to the coherent carefully worked out maturity of his drama and prison literature **The Complete Shorter Fiction of Oscar Wilde** Oscar Wilde,1979 [In Praise of Disobedience](#) Oscar Wilde,2018-11-13 In Praise of Disobedience draw on works from a single miraculous year in which Oscar Wilde published the larger part of his greatest prose the year he came into maturity as an artist Before the end of 1891 he had written the first of his phenomenally successful plays and met the young man who would win his heart beginning the love affair that would lead to imprisonment and public infamy In a witty introduction playwright novelist and Wilde scholar Neil Bartlett explains what made this point in the writer's life central to his genius and why Wilde remains a provocative and radical figure to this day Included here are the entirety of Wilde's foray into political philosophy *The Soul of Man Under Socialism* the complete essay collection *Intentions* selections from *The Portrait of Dorian Gray* as well as its paradoxical and scandalous preface and some of Wilde's greatest fictions for children Each selection is accompanied by stimulating and enlightening annotations A delight for fans of Oscar Wilde In Praise of Disobedience will restore and revitalize an often misunderstood legacy **The Publishers' Circular and Booksellers' Record** ,1926 **The Publisher** ,1912 **British Books** ,1912 *The Life of Oscar Wilde* Robert Harborough Sherard,1911 [Crime Fiction, 1749-1980](#) Allen J. Hubin,1984 [The Athenaeum](#) ,1892 **Journal of the short story in English** ,2003 *Performing Arts* ,1977 **Lord Arthur Savile's Crime & Other Stories** Oscar Wilde,2017-08-30 Trieste Publishing has a massive catalogue of classic book titles Our aim is to provide readers with the highest quality reproductions of fiction and non fiction literature that has stood the test of time The many thousands of books in our collection have been sourced from libraries and private collections around the world The titles that Trieste Publishing has chosen to be part of the collection have been scanned to simulate the original Our readers see the books the same way that their first readers did decades or a hundred or more years ago Books from that period are often spoiled by imperfections that did not exist in the original Imperfections could be in the form of blurred text photographs or missing pages It is highly unlikely that this would occur with one of our books Our extensive quality control ensures that the readers of Trieste Publishing's books will be delighted with their purchase Our staff has thoroughly reviewed every page of all the books in the collection repairing or if necessary rejecting titles that are not of the highest quality This process ensures that the reader of one of Trieste Publishing's titles receives a volume that faithfully reproduces

the original and to the maximum degree possible gives them the experience of owning the original work We pride ourselves on not only creating a pathway to an extensive reservoir of books of the finest quality but also providing value to every one of our readers Generally Trieste books are purchased singly on demand however they may also be purchased in bulk Readers interested in bulk purchases are invited to contact us directly to enquire about our tailored bulk rates The Moral Vision of Oscar Wilde Philip K.
