Lovemarks Kevin Roberts, 2005-12-01 Ideas move mountains especially in turbulent times *Lovemarks* is the product of the fertile iconoclast mind of Kevin Roberts CEO Worldwide of Saatchi Saatchi Roberts argues vociferously and with a ton of data to support him that traditional branding practices have become stultified What's needed are customer Love affairs Roberts lays out his grand scheme for mystery magic sensuality and the like in his gloriously designed book *Lovemarks* Tom Peters Tom Peters one of the most influential business thinkers of all time described the first edition of *Lovemarks* the future beyond brands as brilliant He also announced it as the Best Business Book published in the first five years of this century Now translated into fourteen languages with more than 150 000 copies in print *Lovemarks* is back in a revised edition featuring a new chapter on the peculiarly human experience of shopping The new chapter *Diamonds in the Mine* is an insightful collection of ideas for producers and consumers for owners of small stores and operators of superstores So forget making lists Shopping says Kevin Roberts is an emotional event With this as a starting point he looks at the history of shopping and how it has changed so dramatically over the last ten years Using the Lovemark elements of Mystery Sensuality and Intimacy Roberts delves into the secrets of success that can be used to create the ultimate shopping experience **The Lovemarks Effect** Kevin Roberts, 2006 This second book by Kevin Roberts CEO Worldwide of Saatchi Saatchi is a follow up to his bestselling blockbuster *Lovemarks* His first book dropped the L word into the world of ideas marketing and communication The effect was electric Responses ranged from the emotionally inspired to the intellectually inflamed *Shapes in my Heart* offers ideas and stories about *Lovemarks* in action Roberts personally engaging and provocative spirit permeates the book as he follows *Lovemarks* into the hearts of consumers and shoppers *Brand Story that Works* Seung-Chul Yoo, Ph.D., 2020-11-17 Content platforms have started to change dramatically and channels diversified remarkably But no matter how creative the majority of the brand content advertising is it doesn't have a deeper meaning than triggering the attention and interest of the target consumer This book adeptly addresses today's marketing communication challenges and opportunities in the era of social media In order to build a strong brand the company needs to establish a deeper connection with the consumers through story value This simple enjoyable and brief book is full of how to better position market and sell the products and services that you market via effective branded stories *Lovemarks* Kevin Roberts, 2006 Kevin Roberts passionately believes that love is the way forward for business Here he recounts the journey from products to trademarks to brands and the urgency of taking the next step to *Lovemarks* His argument is that brands numbed by the assault of commodification and customer indifference have run out of juice The solution The creation of products and experiences that will create long term emotional relationships with consumers Following the rapid uptake of the concept Roberts has now taken it one step further by turning the book itself into a lovemark **Loveworks** Brian Sheehan, 2013-05-28 In 2004 Kevin Roberts wrote *Lovemarks* the future beyond brands It was admired by many as a breakthrough in marketing thinking but was

also controversial because of its surprisingly obvious thesis that emotional connections are at the heart of sustained relationships between producers retailers and consumers While many companies were using the language of war in their marketing target penetrate ambush Roberts was using the language of love mystery sensuality intimacy He explained in simple terms what people are often loath to admit we make decisions with our emotions over our reason Lovemarks described the journey by which brands could move from consumer respect based on intellect to consumer love based on emotion and in return gain loyalty beyond reason In 2010 Advertising Age magazine named Lovemarks one of their ideas of the decade while noting that the roadmap for brands to achieve Lovemark status was still not entirely clear Lovemarks How the world's top marketers make emotional connections to win in the marketplace adds to the original Lovemarks by showcasing real world business examples and outlining the roadmaps followed by several world renowned brands to achieve Lovemark status Procter Gamble Toyota Visa General Mills Miller T Mobile and Lenovo are just a few examples of businesses winning in the marketplace through the application of the Lovemarks theory maintaining laser like focus on making and sustaining emotional connections with consumers Lovemarks features 20 case stories from clients and markets worldwide in widely varying categories My book shows that Lovemarks thinking works anywhere anytime All it takes is having the brains to implement it the guts to see it through and an abiding faith in emotion as your compass says Brian Sheehan
