An Index to Music in Selected Historical Anthologies of Western Art Music, Part 1 Mara Parker, 2019-01-01 *An Index to Music in Selected Historical Anthologies of Western Art Music* is the essential reference for music history and music theory instructors for finding specific listings and details for all the pieces included in more than 140 anthologies published between 1931 and 2016. Containing over 5 000 individual listings, this concise book is an indispensable tool for teaching music history and theory. Since many anthologies exist in multiple editions, this Index provides instructors, students, and researchers with the means to locate specific compositions in both print and online anthologies. This book includes listings by composer and title as well as indexes of authors, titles, and first lines of text for music from antiquity through the early twenty-first century.

Computer Music Modeling and Retrieval Richard Kronland-Martinet, Thierry Voinier, Sølvi Ystad, 2006-05-19. This book constitutes the post-proceedings of the Third International Computer Music Modeling and Retrieval Symposium CMMR 2005. The 24 revised full papers address a broad variety of topics organized in topical sections on sound synthesis, music perception and cognition, interactive music interface, interaction, gestures and sensors, music composition, music retrieval, music performance, music analysis, music representation, as well as interdisciplinarity and computer music. **Silk Road:**

The Study Of Drama Culture Qiang Li, 2019-03-12. *Silk Road: The Study of Drama Culture* is the translated edition of the Chinese academic book of the same title written by Professor LI Qiang from Shaanxi Normal University, China. The book breaks through the concept of regarding Han Drama as the center yet elaborates the Silk Road drama as an inclusive culture and a prevailing literary art form in human civilization. Relying on his extensive experience and broad vision, the author conducts the thorough study by means of literature artifacts and academic fieldwork. The book studies the drama culture of all ethnic groups from Asia, Europe, and Africa and touches upon the cultural exchanges between China and its neighboring countries between the East and the West. The carefully presented details in this book are aimed to explore all the related fields such as dramaturgy, philology, phonology, religion, history, geography, archeology, ethnology, and folklore between the East and the West from the perspective of cultural anthropology. The explanations in the book contribute to an in-depth study on the origins of the Silk Road and the drama culture along the Silk Road. **Music, Books on Music, and Sound**
