Managing Business Ethics Linda K. Trevino, 2013-11-20

Ethical Issues in Business Peg Tittle, 2000-04-13

The core of this text comprises chapters on all the key issues of business in Canada today. Each chapter includes a hypothetical case study and an introduction highlighting key ethical points, two academic essays, and a real-life case study. Questions for discussion accompany the essays and case studies. The author has also included a general introduction to ethical issues and an overview of ethical theory, a section on institutionalizing ethics (discussing ethics officers, programs, codes, etc.) and appendices providing excerpts from important classic contributions to ethical theory and from relevant Canadian law.

The SAGE Encyclopedia of Business Ethics and Society Robert W. Kolb, 2018-03-27

Thoroughly revised, updated, and expanded, *The SAGE Encyclopedia of Business Ethics and Society* Second Edition explores current topics such as mass social media, cookies, and cyber attacks, as well as traditional issues including accounting, discrimination, environmental concerns, and management. The new edition also includes an in-depth examination of current and recent ethical affairs such as the dangerous work environments of off-shore factories for Western retailers, the negligence resulting in the 2010 BP oil spill, the gender wage gap, the minimum wage debate, and increasing income disparity and the unparalleled level of debt in the U.S. and other countries, with the challenges it presents to many societies and the considerable impact on the ethics of intergenerational wealth transfers.

Key Features Include:

- Seven volumes available in both electronic and print formats
- Contain more than 1,200 signed entries by significant figures in the field
- Cross references and suggestions for further readings to guide students to in-depth resources
- Thematic Reader's Guide groups related entries by general topics
- Index allows for thorough browse and search capabilities in the electronic edition

Business Ethics and Rational Corporate Policies Konstantinos Mantzaris, 2020-10-02

This book is about providing a comprehensive framework for understanding business ethics and corporate governance. As internal doubts persist on whether an individual adheres to business ethics and corporate policies, readers need to utilize this book in order to develop moral reasoning by demonstrating the moral entity consideration principle. This is vital in terms of coping with an internationalized business environment where human

resources must adhere to multidimensional and demanding policies while attempting to develop their mindset capacity of ethical thinking This book is about providing a comprehensive framework for understanding business ethics and corporate governance by analyzing the moral aspects of a plethora of challenges regarding human resources management policy making corporate responsibility code of conduct agency theory workforce planning information systems and employment relationship

Honorable in Business Annetta Gibson, Daniel Augsburg, 2019-01-14 How can one be a Christian in the world of business not just on the weekend How can one be honorable in business Through the integration of the Christian worldview and business ethics this book provides Christians with a mental framework with which to answer these important questions Beginning with Genesis as the foundation for the Christian s worldview and the Ten Commandments as the outline for the Christian s ethical obligations the authors develop principles upon which ethical choices can be made even when working in a primarily non Christian oriented business environment The book is designed to be helpful both to those beginning their career in business and those already employed in business who struggle with how to engage in today s business environment while maintaining their commitment to God s vision for life to be both meaningful and honorable Topics of business ethics such as employee rights discrimination technology and privacy insider trading and accounting fraud and the special challenges of working internationally are covered The added value this book brings to these discussions lies in its serious consideration of the Christian worldview as foundational to ethical decision making in everyday areas of business

Identity Excellence Perry L. Glanzer, 2022-07-18 American higher education historically and inherently is a morally formative endeavor Yet in order to respond to America s moral pluralism higher education has increasingly taken a reductionistic approach to moral formation Consequently it abandoned the effort to supply students with moral expertise Current approaches help students learn how to be excellent professionals and citizens but they fail to provide the necessary tools for living the good life in college and beyond *Identity Excellence A Theory of Moral Expertise for Higher Education* addresses this problem by setting forth a multi disciplinary

theory of moral expertise for fostering moral excellence in an array of important identities To this end it teases apart the essential elements of what it means to be excellent in an identity before discussing the philosophical sociological psychological and educational processes necessary for students to internalize traditions of identity excellence as part of their own moral identities Overall the emergent theory exposes the shortcomings in contemporary general education professional ethics and co curricular education Finally this book sets forth a bold but compelling vision for a more hopeful future for American higher education As outlined within such education involves teaching students excellence in the Great Identities as well as how to prioritize and integrate their pursuit of identity excellence
