take social action The modern shift to networked fluid communities Hinck argues opens up opportunities for public participation that occurs outside of political parties houses of worship and organizations for social action Fan based citizenship performances help us understand the future possibilities of public engagement as fans and creators alike tie the ethical frameworks of fan objects to desired social goal such as volunteering for political candidates mentoring at risk youth and promoting environmentally friendly policy Politics for the Love of Fandom examines the communication at the center of these civic actions exploring how fans nonprofits and media companies manage to connect internet based fandom with public issues
