their primary focus The premise of The Two Income Trap Why Parents Are Choosing to Stay Home is that childrearing is no longer recognized for the enormous undertaking it is Having it all is an impossible goal for anyone male or female The needs of children don't allow two married parents the freedom to dedicate themselves fully to something else That isn't a bad thing says Venker It's a good thing It's time to shift our paradigm There is value in pursuing both work and family but prioritizing family over career and being realistic with one's goals is the only way women can be successful at both The Two Income Trap does two things helps elevate the status of parents at home and helps mothers who want to be employed create a life that works Without the stress Without the guilt Without regret
