Here Comes The Sun

Karen L. Phillips

Here Comes The Sun:

Here Comes the Sun Leza Lowitz, 2015-06-01 A YOGA MEMOIR At thirty Californian Leza Lowitz is single and traveling the world which suits her just fine Coming of age in Berkeley California during the sexual and feminist revolutions of the 1970s she learned that marriage and family could wait Or could they When Leza moves to Japan and meets the man of her dreams her heart opens in ways she never thought possible But she is still an outsider and home is far away Rather than struggle to fit in she opens a yoga studio and makes a home for others Then at forty four Leza and her Japanese husband seek to adopt in a country where bloodlines are paramount and family ties are almost feudal in their cultural importance She travels to India to work on herself and back to California to deal with her past Something is still not complete until she learns that when you give a little love to a child you get the whole world in return This inspiring memoir reflects the author's deep connection to yoga that allows her to realize that infertile does not mean inconceivable Through teaching meditation and community she transcends her struggles and embraces the joys of adoption and motherhood Leza Lowitz lives in Tokyo with her husband the writer Shogo Oketani and their ten year old son She has edited and published over seventeen books many on Japan and has run her own yoga studio in Tokyo for a decade She travels throughout Japan and Asia to teach yoga and write Her debut YA novel *Jet Black* and the *Ninja Wind* won the 2013 2014 Asian Pacific American Award in Young Adult Literature

Here Comes The Sun Karen L. Phillips, 2010-02-05 Suicide depression addiction how you can get help and find peace is the beating heart of this memoir *Here Comes The Sun* As the author tries to escape from her pain and from the effects of child abuse through drugs and drinking she finds herself lost feeling unworthy and alone Depressed and suicidal she tries running away from the torture and from the memories of sexual abuse While she tries to run away from her pain she finds a seemingly endless amount of trouble to get into Her journey takes you through Ecuador Cuba Mexico and Canada on her search for love Through her prose journals and poems she speaks her innermost private thoughts her true feelings of child abuse and suicide become open She is the voice for all the ones who cannot speak as she clearly expresses her deepest emotions This is a memoir that is serious yet it is entertaining and funny In this story the author reveals how she finds her way out of the dark night and into the sun showing you how to get help and find peace *Here Comes the Sun* Nicole Dennis-Benn, 2016-06-06 A New York Times Notable Book of the Year Winner of the LAMBDA Literary Award for Lesbian Fiction Named a Best Book of 2016 by NPR Entertainment Weekly BuzzFeed Bustle San Francisco Chronicle The Root BookRiot Kirkus Reviews NYLON Amazon WBUR's On Point the Barnes Noble Review and Amazon Fiction Literature Finalist for the NYPL Young Lions Fiction Award and the Center for Fiction's First Novel Prize Selected for the Grand Prix Littéraire of the Association of Caribbean Writers Longlisted for the ALA Over the Rainbow Award Longlisted for the Dublin Literary Award In this radiant highly anticipated debut a cast of unforgettable women battle for independence while a maelstrom of change threatens their Jamaican village Capturing the distinct rhythms of Jamaican life and dialect Nicole Dennis-Benn pens

a tender hymn to a world hidden among pristine beaches and the wide expanse of turquoise seas At an opulent resort in Montego Bay Margot hustles to send her younger sister Thandi to school Taught as a girl to trade her sexuality for survival Margot is ruthlessly determined to shield Thandi from the same fate When plans for a new hotel threaten their village Margot sees not only an opportunity for her own financial independence but also perhaps a chance to admit a shocking secret her forbidden love for another woman As they face the impending destruction of their community each woman fighting to balance the burdens she shoulders with the freedom she craves must confront long hidden scars From a much heralded new writer Here Comes the Sun offers a dramatic glimpse into a vibrant passionate world most outsiders see simply as paradise
