The Experiment at Philadelphia Did Einstein discover God If God created all things then who Created God What Was and Happened Before the Big Bang The Philadelphia Experiment was Einsteins experiment in which he had not only discovered in 1943 the way to make things invisible and transport them at great speeds but also positively proven scientifically physically and spiritually that the Almighty God exists He had literally discovered God That question is there a god Thats been going through peoples minds for so long was discussed on the street corner talked about on the porch on a hot summers night and is now a proven fact Yes there is a god Did Einstein in the Philadelphia Experiment make contact with UFO beings who gave him advance knowledge of all things which Einstein later destroyed fearing what the world would do with that knowledge Are the first fourteen chapters of this book about the advance knowledge Einstein received Does it reveal the deepest darkest secrets of God and Satan and how the universe works Does it answer these questions Many have asked since the beginning of the world Which is known as the mystery of God Why am I here Whats the true meaning of life How was everything created Who are God and the devil If God created all who created God If he is the first in creation where and how did he come into existence Why does God allow evil in the world Why do good things happen to bad people and bad things to good people Whyif we all came from Adam and Eve who were Jewishare there Gentiles Are Gentiles children of devils Is that why the Jews are Gods chosen race Why in the Garden of Eden was the knowledge of good on the tree forbidden How old is the earth Why is God known as the Trinity Why have religions down through the ages done such evil What when and how did the

big bang start What happened to Satan Who is he really and what did he do in the past What are his beliefs and ways What is he and God literally made of What is the meaning of the great pyramids and the sphinx Is there scientific proof that God exists Read this whole book for the answers to all these tough questions and be sure to read the introduction first before reading the rest of this book **The Gods Never Left Us** Erich von Däniken, 2017-11-20 The Long Awaited Sequel to the Worldwide Best seller Chariots of the Gods When Chariots of the Gods was published 50 years ago it began a worldwide change in humanity's view of the cosmos In an era of the military space race Erich von Däniken boldly proclaimed that Earth had been visited by more advanced beings early in our history But prescientific man had no concept of space ships so he called their vehicles chariots and those driving the chariots became gods Over the next five decades von Däniken's more than 40 books built an ever stronger case for Earth being visited by extraterrestrial visitors And Chariots became an international best seller with 30 million copies sold in more than two dozen languages Also during that time the case for ET visitations millennia ago was being reexamined by contemporary UFO researchers who found evidence of modern visitations And von Däniken expanded his perspective to encompass the present Now he presents his long awaited sequel to Chariots of the Gods proclaiming that the gods never left us with all new material to show that ancient aliens are still with us The Gods Never Left Us contends that recent advancements in biotechnology astrophysics engineering and artificial intelligence not only give us a fresh perspective on his ancient astronaut theory but actually validates it We are as a race embarking on the exact same trajectory of our own interplanetary colonization just as von Däniken suggested Earth itself was colonized ETs are definitely at work today And that affects all of us Why do they do what they do What could an extraterrestrial species possibly gain from observing us in the same way we look at ants What have these strangers wanted for the past thousands of years Can't they leave us alone And what makes it so difficult for us to acknowledge the existence of these extraterrestrials That is what this book deals with Erich's newest book is a fascination journey from the ancient past into the present with a plethora of scientific evidence and documented research As always he adds his own to the point take on it all Readers may also like that his newest work moves in a slightly different direction from his past books A thoroughly enlightening and enjoyable Read Bruce Cunningham Director Ancient Mysteries International LLC Publisher of Advanced Archaeology Review magazine **The Aztec UFO Incident** Scott Ramsey, Suzanne Ramsey, Frank Thayer, 2015-12-21 The Aztec UFO Incident the first ever widely publicized report of a recovered flying saucer was derided as a hoax for decades But now the Ramseys and Frank Thayer reveal the exact spot where the craft landed and show how the 100 foot diameter saucer was moved to a secret laboratory Witnesses to the incident who were interviewed by the authors affirm that they were sworn to secrecy by the military The authors also reveal the names of scientists who worked on the craft after its recovery Also included are previously unseen documents from the CIA FBI U S Air Force and U S Army that constituted a cover up whose sole purpose was to surround the Aztec story with a smokescreen of lies

 and the possibility of advanced beings from other worlds visiting Earth Now he tackles the history of Greece and again
 challenges our beliefs about how our civilization arose Using painstaking archaeological research and evidence from the
 writings of Plato and Aristotle he suggests that the Greek myths were in fact very much a reality that the Greek gods were
 actually extraterrestrial beings who arrived on Earth many thousands of years ago Many of you may find von Däniken's
 conclusions astounding but they are argued with such vigor and clarity that you'll be forced to consider the implications of
