more leads A reliable referral network According to Buffini Company 82% of all real estate transactions come from referrals meaning your network of past clients and personal contacts is much more powerful than any social ads you re paying for So whether you ve sold hundreds of homes or still have yet to close your first deal The same principle applies You re only as good as your last sale This is why you need to use everything in your toolkit to make sure your next client ends up feeling good about their purchase After all they re your best hope at getting another sale And if there s one tool you should be using it s a thorough home inspection Because if you let your client move into a house that s ridden with asbestos or needs a new roof You may have made thousands of dollars off one commission but you ve lost out on what could ve been millions from future business referrals All because you failed to get a proper pre purchase home inspection While a home inspection could very well cost you your next contract it s only if it isn t done properly However with the right resources you can use a home inspection to your advantage and save your client thousands of dollars Think about how ecstatic your client would be and what that could do for your reputation as a realtor In Home Inspection Survival Guide you will discover 20 questions to ask any home inspector before hiring them to conduct an inspection How to read a home inspection report and what you should do about any problematic findings An 82 point checklist to help you identify any parts of a home that need critical repairs How much you can expect a basic home inspection to cost and why it s worth paying extra 11 types of inspections available to homeowners and which ones your seller should consider A surefire way to help home sellers avoid taking a hit to their offer price do THIS before you list your next property 28 dangerous red flags to look out for during a home inspection The key difference between a home inspection and an appraisal don t make this mistake Why getting a home inspection could actually add to your commission And much more You don t need a home inspector s license to become an expert at home inspections This Home Inspection Survival Guide covers everything you need to know about assessing the health of a real estate property And more importantly it shows you how to make home inspections work in your favor Because at the end of the day your success depends on having clients who trust you And getting clients to trust you begins with them trusting the condition of their home
