The Effects of Impartiality Disclosure on Brand Objectives for No and Multiple Product Endorsements Corina Oprea, 2023-05-27 Regulation stipulates that social media Influencers on Instagram need to disclose sponsorship information when a

relationship exists between the brand and the influencer While influencers may simply use the Instagram disclosure label Paid partnership with brand X others add additional messages or hashtags which express that the opinions voiced in Instagram posts are honest This study examines how emphasizing honest opinions in sponsored and not sponsored Instagram posts affects consumers responses Second it explores if the influencers endorsing multiple products moderates the relationship between impartiality disclosure and credibility or ad perception The results found that compared to the no disclosure condition This is not a sponsored post diminishes consumers purchase intention Further it can support that perceived source credibility relates positively to purchase intention and that the use of honest opinion diminishes advertising perception A central finding is the existence of an indirect positive mediation effect of the impartiality disclosure honest opinion advertising disclosure and trustworthiness on purchase intention Lastly this study can support that a consumer s attachment to an influencer has a positive impact on that consumer s purchase intention
