Anglica Wratislaviensia, 2006 **Language Play, Language Learning** Guy Cook, 2000-02-03. This book has two related purposes. The first is to demonstrate the extent and importance of language play in human life; the second is to draw out the implications for applied linguistics and language teaching. Language play should not be thought of as a trivial or peripheral activity but as central to human thought and culture, to learning, creativity, and intellectual enquiry. It fulfils a major function of language: underpinning the human capacity to adapt as individuals, as societies, and as a species. *Discourse* Guy Cook, 1989.
