Everest Media,2022-03-05T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 The futures market is a place where traders buy and sell standardized contracts for a commodity or a financial instrument The essence of a futures market is in its name trading involves a standardized contract for a commodity or a financial instrument for a future delivery date as opposed to the present time 2 The futures markets offer tremendous leverage Price movements in futures will closely parallel those in the corresponding cash markets Because the majority of futures trading activity is concentrated in financial instruments many futures traders are in reality traders in stocks bonds and currencies 3 The interbank currency market is a 24 hour market that follows the sun around the world It is used by companies to hedge exchange risk as it allows them to lock in a price in a foreign currency in order to assure a profit 4 I first met Marcus the day I joined Reynolds Securities as a futures research analyst He had accepted a similar position at a competing firm and I was assuming the position he had just vacated Although I usually found my own analysis more persuasive when we disagreed Marcus ultimately proved right about the direction of the market

Summary of Jack D. Schwager's The Little Book of Market Wizards Everest Media,2022-04-22T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 On April 15 1959 Bob Gibson played his first major league game coming in as a relief pitcher for the Cardinals He gave up a home run to the very first batter he faced In the next inning Gibson gave up another home run He was sent back to the minors after that game 2 The story of Michael Marcus is a classic example of how some of the most successful traders started with failure Marcus was a college junior who was persuaded to trade futures by a friend of a friend He lost money on every trade and when his adviser came up with the idea to trade contracts based on corn blight fears Marcus lost his entire 30 000 3 Marcus learned to combine his innate talent as a trader with experience and risk management and was incredibly successful He took a trading job at Commodities Corporation and in about 10 years time he turned those modest allocations into 80 000 000 4 Many of the Market Wizards had a difficult start in their careers with some losing a lot of money However they were persistent and learned from their mistakes
