Highlights in the History of the American Press Edwin H. Ford, Edwin Emery, 1954-01-01 *Highlights in the History of the American Press* was first published in 1954 Minnesota Archive Editions uses digital technology to make long unavailable books once again accessible and are published unaltered from the original University of Minnesota Press editions The articles collected in this volume present a vivid panorama of American journalistic history from its antecedents in the English ballad singers to the press giants of modern times Since there is probably no single force that has played a greater role in the history of America than its newspapers the history of journalism tells in large measure the story of this country's political social and economic development Therefore this book of readings offers much to the students of the American scene past and present whether they are general readers or specialists in journalism

history American studies or any of the social sciences The 27 articles included here have been chosen particularly for their readability and authenticity They are by many different writers and are from a wide variety of periodicals published over the past 100 years They are arranged according to six historical periods covering the rise of the English press the Colonial press the nationalistic press of Revolutionary times the popular press of the Jacksonian democracy the transition press following the Civil War and the modern era of mass circulation An introductory essay for each group of articles places the individual studies in historical perspective and examines briefly the journalistic events not covered in detail by the articles themselves The article authors include such notable names in American letters as Gamaliel Bradford Will Irwin William Allen White John Dos Passos and Henry F Pringle The coherent presentation of this diverse material should help anyone interested in the American newspaper get a better view of its broad scope its lively color and its profound influence on the course of history
