**Revista chilena de historia y geografía**, 1914 Includes the Actas of the Society *Popular Sovereignty and Constituent Power in Latin America* Emelio Betances, Carlos Figueroa Ibarra, 2016-11-24 This book combines a bottom-up and top-down approach to the study of social movements in relationship to the development of constituent and constituted power in Latin America The contributors to this volume argue that the radical transformation of liberal representative democracy into participative democracy is what colours these processes as revolutionary The core themes include popular sovereignty constituted power constituent power participatory democracy free trade agreements social citizenship as well as redistribution and recognition issues Unlike other collections which provide broad coverage of social movements at the

expense of depth this book is of thematic focus and illuminates the relationships between rulers and ruled as they transform liberal democracy      Uso de la historia oral y de vida en la investigación educativa Jorge Eduardo Aceves

Lozano,2019-11-01 El uso de la historia oral y de vida en el campo de la investigación sociohistórica de temas educativos se ha desarrollado en las últimas décadas con relativa fuerza como una actividad en crecimiento al abordar la complejidad del campo educativo en dos vertientes complementarias por un lado como un objeto de estudio por sí mismo y por otro en una vertiente más de carácter pragmático o aplicado como uno más de los recursos metodológicos en la praxis educativa
