Holding Man Tommy Murphy:

Holding the Man Tommy Murphy, Timothy Conigrave, 2024 *Holding the Man* is based on Timothy Conigrave's celebrated memoir of the same name which won the 1995 UN Human Rights Award for Non Fiction and was voted one of Australia's top 100 favourite books Tommy Murphy's stage adaptation faithfully captures the book's heart wrenchingly honest portrayal of a fifteen year relationship but also succeeds in transforming it into a unique theatrical experience that is wholly his own The play won multiple awards and had seasons across Australia and internationally

Theater in a Post-Truth World William C. Boles, 2022-06-30 This is the first book to examine how the concept and disagreements around post truth have been explored in the world of theater and performance It covers a wide spectrum of manifestations and expressions from the plays of Caryl Churchill Anne Washburn and David Henry Hwang to the inherent theatricality of press conferences FBI interviews and protests that embrace the confusion created by post truth rhetoric to muddy issues and deflect blame to theatrical performance where the nature of truth is challenged through staged visuals which run counter to what the audience hears provoking a debate about where the truth actually lies With contributions by scholars from around the world *Theater in a Post Truth World* considers a wide array of examples from American and British drama and politics Australian theater and the work of performance artist Marina Abramovic Together these provide a glimpse into how the theater in its many forms provides a venue to raise awareness and encourage critical thinking about the contemporary ubiquity of post truth
