Management Aids, 19?? **A Theory of Market Strategy** Richard J. Geruson, 1992 Intense competitive and turbulent economic conditions have forced American businesses to re examine every aspect of their strategies from organization to how they publicly present what they sell A Theory of Market Strategy uses economic theory to derive concepts of market strategy involving the exploitation of the differences in potential consumers and in products That is a firm can create a market strategy for a new product that takes into account the fact that different customers will be willing to pay different prices based on their expertise and perception of the product s value In addition this strategy considers that consumers will also want different models of the product In the first half of this work Geruson develops these concepts showing that the key to successful market strategy is the exploitation of two dimensional market heterogeneity a new idea that integrates and enhances the concepts of product differentiation price

discrimination market segmentation information signalling and customer purchase risk reduction The second half follows with applications to these concepts in regard to the mainframe computer industry In depth examples from IBM and niche computer companies Cray Tandem and Control Data show how to practically implement the ideas and provide many lessons on the hidden pitfalls and secrets to success in market strategy The book derives from Geruson s dissertation at Oxford University and has been augmented by his experience at International Business Machines Incorporated and Toshiba International making it accessible to sophisticated practitioners in market strategy and strategic planning Strategic Global Marketing Erdener Kaynak,2021-08-29 Learn to select appropriate strategic tools and measure the competitiveness of international firms This essential text addresses important strategic marketing issues and questions in a unique and insightful way Strategic Global Marketing Issues and Trends takes on the standardization vs adaptation issue and will familiarize you with important topics including customer value measurement in highly competitive industries factors influencing export attitudes qualities necessary for successful international business conduct distribution channels behavior and regional differences in the way these channels function and more Handy charts tables and figures make the information easy to access and understand In Strategic Global Marketing Issues and Trends authors from Israel the United States India Hong Kong and New Zealand examine the usefulness of comparative studies of dominant cultural values in successful international strategy development as well as other specific facets of international marketing strategy such as technometricsa benchmarked approach to compare competing brands on a set of attributes the attitudes of Taiwanese executives regarding exporting and international conduct the cultural values that must be taken into account to produce effective print advertisements in the United States and India the marketing roles and functions undertaken by Chinese wholesalersand the functions they are still reluctant to perform a meta analysis tested model of the relationship between export performance and the degree of standardization of international marketing strategy used by the exporter the effectiveness of policies put in place by leaders of United States cities in their efforts to promote exports **Developing, Implementing & Managing an Effective Marketing Plan** H.
