Analyzing Adventure Time Paul A. Thomas, 2023-07-20 In 2010, Cartoon Network debuted a new animated series called *Adventure Time*, and within just a few short years, the show became both a pop culture phenomenon and a critical darling. But despite all the admiration, not many works of scholarship have assessed the show through a critical lens. This

anthology is an attempt to fill this scholarly oversight and spark a wider conversation about the show's deeper themes Across 15 scholarly essays this book's contributors study Adventure Time from a variety of angles proving just how insightful the series really is From a consideration of BMO's queer identity to a psychoanalytic reading of Lemongrab and an examination of how anime has impacted the show the topics explored in this anthology are diverse and unique and are likely to appeal to scholars and fans alike **The Greatest Cult Television Shows of All Time** Christopher J.
