With My People Jonathan Pulphus, 2025-09-16 During Jonathan Pulphus's second year at Saint Louis University the front line of a protest movement became his classroom With My People is his gift to the next generation of student activists offering mentorship in an ever changing political landscape and connecting them to struggles all over the world *African American Identity* Jas M. Sullivan, Ashraf Esmail, 2012-04-26 Jas M Sullivan and Ashraf M Esmail's African American Identity Racial and Cultural Dimensions of the Black Experience is a collection which makes use of multiple perspectives across the social sciences to address complex issues of race and identity The contributors tackle questions about what African American racial identity means how we may go about quantifying it what the factors are in shaping identity development and what effects racial identity has on psychological political educational and health related behavior African American Identity aims to continue the conversation rather than provide a beginning or an end It is an in depth study which uses quantitative qualitative and mixed methods to explore the relationship between racial identity and psychological well being effects on parents and children physical health and related educational behavior From these vantage points Sullivan and Esmail provide a unique opportunity to further our understanding extend our knowledge and continue the debate **Jesuits and Race**

Nathaniel Millett, Charles H. Parker, 2024-12-01 Jesuits and Race examines the role that the Society of Jesus played in shaping Western understandings about race and explores the impact the Order had on the lives and societies of non European peoples throughout history Jesuits provide an unusual if not unique lens through which to view the topic of race given the global nature of the Society of Jesus and the priests interest in humanity salvation conversion science and nature Jesuits global presence in missions imperial expansion and education lends insight into the differences in patterns of estrangement and assimilation as well as enfranchisement and coercion with people from Africa Asia and the Americas The essays in this collection bring together case studies from around the world as a first step toward a comparative analysis of Jesuit engagement with racialized difference The authors hone in on labor practices social structures and religious agendas at salient moments during the long span of Jesuit history in this fascinating volume *African American Review*, 2007 **If**

We Don't Get It Stefan M. Bradley, 2025-05-20 At a time of renewed activism the story of the young people who bravely turned a local issue into a national movement for justice from a professor of Black studies at Amherst who participated in the Ferguson uprising Stefan M Bradley was a young professor in Saint Louis University when Black teenager Michael Brown was shot and killed in Ferguson Missouri by a local white police officer Bradley quickly became a key media activist during the protests that ensued giving on the ground interviews to Chris Hayes CNN Al Jazeera the BBC and others In If We Don't Get It Bradley now a named professor of Black studies at Amherst College shows how Brown's murder sparked a grassroots movement for democracy led by Black youth which transformed the way we talk about race justice and policing in the United States Bradley conducted over two dozen oral history interviews with young Black protesters Through the authentic voices of

the movement's participants Bradley describes the motivation and tensions coursing through the uprising's early days and weeks the problems of media representation and misrepresentation intergenerational conflict over protest tactics clashes with the police and politicians and much more If We Don't Get It also explores the new generation of elected officials including Congresswoman Cori Bush who emerged from the local movement's ranks A rich story with deep relevance for the protests of our own time If We Don't Get It offers a gripping account of how young activists without previous political experience succeeded in changing our national political narrative

Segregation by Design Catalina Freixas, Mark Abbott, 2018-10-24 This book discusses racial segregation in American cities Using St Louis as a point of departure it examines the causes and consequences of residential segregation and proposes potential mitigation strategies While an introduction timeline and historical overview frame the subject nine topic specific conversations between invited academics policy makers and urban professionals provide the main structure Each of these conversations is contextualized by a photograph an editors note and an essay written by a respected current or former St Louisan The essayists respond to the conversations by speaking to the impacts of segregation and by suggesting innovative policy and design tactics from their professional or academic perspective The purpose of the book therefore is not to provide original research on residential segregation but rather to offer a unique collection of insightful transdisciplinary reflections on the experience of segregation in America and how it might be addressed **The Complete Book of Colleges**

2021 The Princeton Review, 2020-07 The mega guide to 1 349 colleges and universities by the staff of the Princeton Review including detailed information on admissions financial aid cost and more Cover *Left in the Midwest* Amanda L. Izzo, Benjamin Looker, 2022-12-30 Despite St Louis s mid twentieth century reputation as a conservative and sleepy midwestern metropolis the city and its surrounding region have long played host to dynamic forms of social movement organizing This was especially the case during the 1960s and 1970s when a new generation of local activists lent their energies to the ongoing struggles for Black freedom lesbian and gay liberation feminist social transformations environmental protection an end to the Vietnam War and more This volume the first of its kind offers fifteen scholarly contributions that together bring into focus the exceptional range of progressive activist projects that took shape in a single midwestern city during these tumultuous decades In contrast to scholarship that seeks to interpret the era s social movement initiatives in a primarily national context the works presented in this expansive collection emphasize the importance of locality neighborhood community institutions and rooted social networks Documenting wrenching forces of metropolitan change as well as grassroots resilience *Left in the Midwest* shows us how place powerfully shaped agendas worldviews and opportunities for the disparate groups that dedicated themselves to progressive visions for their city By revising our sense of the region s past this volume also expands our sense of the possibilities that the future may hold for activist movements seeking change in St Louis and beyond **American Democracy and Discontent** Daniel Monti, 2024-04-09 This volume is a thorough re examination of civil unrest and discontent in the United States particularly the intersection of democracy and violence The work argues that unrest and violence are embedded rituals of social and political discontent and are constitutive features of citizen based democracy As such they are part of how democratic life works unrest is the eruptive visible grammar of citizens in a democratic society Democracy and citizen unrest and violence in the United States are set within a deeper history The author traces the roots of American democracy and the rituals of discontent to their sources in

ancient Mediterranean political society demonstrating that early democratic theory and practice understood unrest and revolt as morally grounded Featuring case studies of recent episodes of political and social discontent in the United States the volume contextualizes the Black Lives Matter protests unrest around police and institutional violence and the Capitol insurrection on January 6 Through this the book provides an important social theoretical lens through which to understand American discontent around racial injustice political suppression and citizen disillusionment We Gon' Be Alright Jeff Chang,2025-10-16 A provocative and timely collection of essays from a celebrated cultural critic on race diversity and resegregation The Smartest Book of the Year The Washington Post In these provocative powerful essays acclaimed writer journalist Jeff Chang Can t Stop Won t Stop Who We Be takes an incisive and wide ranging look at the recent tragedies and widespread protests that have shaken the country Through deep reporting with key activists and thinkers passionately personal writing and distinguished cultural criticism We Gon Be Alright links BlackLivesMatter to OscarsSoWhite Ferguson to Washington D C the Great Migration to resurgent nativism Chang explores the rise and fall of the idea of diversity the roots of student protest changing ideas about Asian Americanness and the impact of a century of racial separation in housing He argues that resegregation is the unexamined condition of our time the undoing of which is key to moving the nation forward to racial justice and cultural equity
