Muzorewa,2014-10-29 African Origins of Monotheism recasts an African knowledge of God in a new and original way It aims to recapture concepts of God as originally reflected upon by pristine African religious thinkers Muzorewa is seeking after the traditional African understandings of the Divine which trace their origins back before the rise of Judaism Christianity and Islam Monotheism he maintains is the ancient view of God ubiquitous across the continent of Africa indeed monotheism comes out of Africa The book challenges the way that the idea of God has been manipulated by Eurocentric agendas by colonizers enslavers and empire builders all of whom were using God talk to achieve

their own personal ends In African thinking the God concept is guided by a sense of the presence of the all pervasive and omnipresent God which has instilled in the people a sense of respect for life at all costs Thus respect is not based on a commandment or on fear but on a propensity for affinity
