After The Great Divide Modernism Mass Culture Postmodernism Theories Of Representation And Difference:

After the Great Divide Andreas Huyssen, 1986 One of the most comprehensive and intelligent postmodern critics of art and literature Huyssen collects here a series of his essays on pomo Village Voice Literary Supplement his work remains alert to the problematic relationship obtaining between marxisms and poststructuralisms American Literary History challenging and astute World Literature Today Huyssen s level headed account of this controversial constellation of critical voices brings welcome clarification to today s murky haze of cultural discussion and proves definitively that commentary from the tradition of the German Left has an indispensable role to play in contemporary criticism The German Quarterly we will certainly have after reading this book a deeper understanding of the forces that have led up to the present and of the possibilities still open to us Critical Texts a rich multifaceted study The Year s Work in English Studies Huyssen argues that postmodernism cannot be regarded as a radical break with the past as it is deeply indebted to that other trend within the culture of modernity the historical avant garde *Gender, Orientalism and the Jewish Nation* Lynne M. Swarts, 2020-01-23 Ephraim Moses Lilien 1874 1925 was one of the most important Jewish artists of modern times As a successful illustrator photographer painter and printer he became the first major Zionist artist Surprisingly there has been little in depth scholarly research and analysis of Lilien s work available in English making this book an important contribution to historical and art historical scholarship Concentrating mainly on his illustrations for journals and books Lynne Swarts acknowledges the importance of Lilien s groundbreaking male iconography in Zionist art but is the first to examine Lilien s complex and nuanced depiction of women which comprised a major dimension of his work Lilien s female images offer a compelling glimpse of an alternate independent and often sexually liberated modern Jewish woman a portrayal that often eluded the Zionist imagination Using an interdisciplinary approach to integrate intellectual and cultural history with issues of gender Jewish history and visual culture Swarts also explores the important fin de si cle tensions between European and Oriental expressions of Jewish femininity The work demonstrates that Lilien was not a minor figure in the European art scene but a major figure whose work needs re reading in light of his cosmopolitan and national artistic genius The Language of the Heart Trysh Travis, 2010-01-01 In The Language of the Heart Trysh Travis explores the rich cultural history of Alcoholics Anonymous AA and its offshoots and the larger recovery movement that has grown out of them Moving from AA s beginnings in the mid 1930s as a men s fellowship that met in church basements to the thoroughly commercialized addiction treatment centers of today Travis chronicles the development of recovery and examines its relationship to the broad American tradition of self help highlighting the roles that gender mysticism and bibliotherapy have played in that development Thomas Pynchon and the Dark Passages of History David Cowart, 2012-01-15 Thomas Pynchon helped pioneer the postmodern aesthetic His formidable body of work challenges readers to think and perceive in ways that anticipate with humor insight and cogency much that has emerged in the field of literary theory over the past few decades For David Cowart Pynchon s most profound

teachings are about history history as myth as rhetorical construct as false consciousness as prologue as mirror and as seedbed of national and literary identities In one encyclopedic novel after another Pynchon has reconceptualized historical periods that he sees as culturally definitive Examining Pynchon's entire body of work Cowart offers an engaging metahistorical reading of V an exhaustive analysis of the influence of German culture in Pynchon's early work with particular emphasis on Gravity's Rainbow and a critical spectroscopy of those dark stars Mason Dixon and Against the Day He defends the California fictions The Crying of Lot 49 Vineland and Inherent Vice as roman fleuve chronicling the decade in which the American tapestry began to unravel Cowart ends his study by considering Pynchon's place in literary history Cowart argues that Pynchon has always understood the facticity of historical narrative and the historicity of storytelling not to mention the relations of both story and history to myth Thomas Pynchon and the Dark Passages of History offers a deft analysis of the problems of history as engaged by our greatest living novelist and argues for the continuity of Pynchon's historical vision

New Mythologies in Design and Culture Rebecca Houze, 2016-05-19 Taking as its point of departure Roland Barthes classic series of essays *Mythologies* Rebecca Houze presents an exploration of signs and symbols in the visual landscape of postmodernity In nine chapters Houze considers a range of contemporary phenomena from the history of sustainability to the meaning of sports and children s building toys Among the ubiquitous global trademarks she examines are BP McDonald s and Nike What do these icons say to us today What political and ideological messages are hidden beneath their surfaces Taking the idea of myth in its broadest sense the individual case studies employ a variety of analytic methods derived from linguistics psychoanalysis anthropology sociology and art history In their eclecticism of approach they demonstrate the interdisciplinarity of design history and design studies Just as Barthes meditations on culture concentrated on his native France *New Mythologies* is rooted in the author s experience of living and teaching in the United States Houze s reflections encompass both contemporary American popular culture and the history of American industry with reference to such foundational figures as Thomas Jefferson and

Walt Disney The collection provides a point of entry into today's complex postmodern or post postmodern world and suggests some ways of thinking about its meanings and the lessons we might learn from it *Lifestyle Media in American Culture* Maureen E. Ryan, 2018-02-01 This book explores the emergence of lifestyle in the US first as a term that has become an organizing principle for the self and for the structure of everyday life and later as a pervasive form of media that encompasses a variety of domestic and self improvement genres from newspaper columns to design blogs Drawing on the methodologies of cultural studies and feminist media studies and built upon a series of case studies from newspapers books television programs and blogs it tracks the emergence of lifestyle's discursive formation and shows its relevance in contemporary media culture It is in the broadest sense about the role played by the explosion of lifestyle media texts in changing conceptualizations of selfhood and domestic life **Loading the Silence: Australian Sound Art in the**

Post-Digital Age Linda Ioanna Kouvaras, 2016-05-13 The experimentalist phenomenon of noise as constituting art in much twentieth century music paradoxically reached its zenith in Cage's silent piece 4 33 But much post 1970s musical endeavour with an experimentalist telos collectively known as sound art has displayed a postmodern need to load modernism's degree zero After contextualizing experimentalism from its inception in the early twentieth century Dr Linda Kouvaras's *Loading the Silence Australian Sound Art in the Post Digital Age* explores the ways in which selected sound art works demonstrate creatively how sound is embedded within local national gendered and historical environments Taking Australian music as its primary but not sole focus the book not only covers discussions of technological advancement but also engages with aesthetic standpoints through numerous interviews theoretical developments analysis and cultural milieux for a contemporary Australian and wider postmodern context Developing new methodologies for synergies between musicology and cultural studies the book uncovers a new post postmodern aesthetic trajectory which Kouvaras locates as developing over the past two decades the altermodern Australian sound art is here put firmly on the map of international debates about contemporary music providing a standard reference and valuable resource for practitioners in the artform music critics scholars and educators **Postmodern Music/Postmodern Thought** Judy Lochhead, Joseph Auner, 2013-10-08 What is postmodern

music and how does it differ from earlier styles including modernist music What roles have electronic technologies and sound production played in defining postmodern music Has postmodern music blurred the lines between high and popular music Addressing these and other questions this ground breaking collection gathers together for the first time essays on postmodernism and music written primarily by musicologists covering a wide range of musical styles including concert music jazz film music and popular music Topics include the importance of technology and marketing in postmodern music the appropriation and reworking of Western music by non Western bands postmodern characteristics in the music of G recki Rochberg Zorn and Bolcom as well as Bj rk and Wu Tang Clan issues of music and race in such films as *The Bridges of Madison County* *Batman* *Bullworth* and *He Got Game* and comparisons of postmodern architecture to postmodern music Also

includes 20 musical examples Rereading Modernism Lisa Rado,2012 Until about 1986 feminists generally considered modernism a reactionary misogynist and hegemonic mire not worth investigating Since then enough studies of modernism have appeared that 17 feminist critics can now review and debate their treatment of the period They evaluate the progress and goals of the new era of modernist scholarship As the authors in this volume suggest instead of condemning writers for not practicing or portraying an acceptable politics of gender we ought instead to show how their assumptions about the nature of the sexes inform their texts both in their creation and in their reception This also allows examination of the complex and changing relationship between human subjectivity and aesthetics This volume is a highly reflective dialogue introspective and evaluative at a moment of crisis within modernist studies and feminist studies The analysis of critical work on early twentieth century literature not only helps reread and redefine a definition of modernism it also intends to redirect and reintegrate feminist theory *Middlebrow Feminism in Classic British Detective Fiction* M. Schaub,2013-02-21 This is a feminist study of a recurring character type in classic British detective fiction by women a woman who behaves like a Victorian gentleman Exploring this character type leads to a new evaluation of the politics of classic detective fiction and the middlebrow novel as a whole Liliana Porter and the Art of Simulation Florencia Bazzano-Nelson,2017-07-05 Visually appealing conceptually startling and intellectually engaging these phrases aptly describe the art of Liliana Porter Florencia Bazzano Nelson's study focuses on the principal theme in the Argentine born artist's work since the 1970s her playful but subversive dismantling of the limits that separate everyday reality from the world of illusion and simulacra Over the years Porter's own evolving interest in perception lead the author to explore a series of interconnected and timely issues in her artistic production such as the representative function of art the structural links between art and language and the witty re-signification of the art historical images and mass produced kitsch figurines she has so often featured in her art Strongly founded in critical theory Bazzano Nelson's approach considers Porter's art as the site of conceptually exciting dialogues with Jorge Luis Borges René Magritte Michel Foucault and Jean Baudrillard Her carefully crafted interdisciplinary analysis not only combines art historical literary and theoretical perspectives but also addresses the artist's work in different media such as printmaking conceptual art photography and film **Sex and Sexuality in a Feminist World** Katherine A. Hermes,Karen A. Ritzenhoff,2009-01-14 Sex and sexuality are topics that have defined feminism since its inception What has changed is that there is now a generation of feminists and scholars who are comfortable not only to write in their own disciplines but who incorporate feminist ideas in their research This book assembles a variety of essays most of which were written especially for this collection that negotiate sex and sexuality in historical contexts as well as in contemporary times There is a common ground of history and popular culture among the articles While different theories of feminism operate in these essays feminist lenses have allowed the reevaluation of familiar topics from early religious practices to medieval literature to current films and advertising The authors represented in this collection range from established feminist and

gender scholars to those who employ feminist theoretical frameworks in their respective disciplines *Transatlantic Mysteries* William J. Nichols, 2011 *Transatlantic Mysteries* presents a comparative study that brings together authors Paco Ignacio Taibo II and Manuel Vázquez Montalbán from two specific political contexts post 1968 Mexico and post Franco Spain who both work in one specific genre noir detective fiction In this so called age of globalization Spain and Mexico have witnessed an explosion in the production of noir detective fiction which these authors choose purposefully in order to infiltrate the market with formulaic popular literature while simultaneously critiquing the effects of the neoliberal strategies embraced by their countries By locating themselves at the crossroads where literature meets the market they not only underscore the effects of capital on literary and cultural production but also explore the possibility for their writing to resist the influences of capital and question the role of an intellectual in an era of globalization At the core of their writing Taibo and Vázquez Montalbán examine the revolutionary possibilities of literature and popular culture to offer a new kind of Marxist project that revitalizes the Left by redefining the role of socially engaged literature in a globalized landscape

Alexandra Schwartz, 2010 This text examines the collection of feminist art in the Museum of Modern Art It features essays presenting a range of generational and cultural perspectives *The Post-Apocalyptic Novel in the Twenty-First Century* H. Hicks, 2016-04-08 Since the beginning of the twenty first century major Anglophone authors have flocked to a literary form once considered lowbrow genre fiction the post apocalyptic novel Calling on her broad knowledge of the history of apocalyptic literature Hicks examines the most influential post apocalyptic novels written since the beginning of the new

millennium including works by Margaret Atwood David Mitchell Cormac McCarthy Jeanette Winterson Colson Whitehead and Paolo Bacigalupi Situating her careful readings in relationship to the scholarship of a wide range of historians theorists and literary critics she argues that these texts use the post apocalyptic form to reevaluate modernity in the context of the new century's political economic and ecological challenges In the immediate wake of disaster the characters in these novels desperately scavenge the scraps of the modern world But what happens to modernity beyond these first moments of salvage In a period when postmodernism no longer defines cultural production Hicks convincingly demonstrates that these writers employ conventions of post apocalyptic genre fiction to reengage with key features of modernity from historical thinking and the institution of nationhood to rationality and the practices of literacy itself *Class and the Making of American Literature* Andrew Lawson, 2014-03-14 This book refocuses current understandings of American Literature from the revolutionary period to the present day through an analytical accounting of class reestablishing a foundation for discussions of class in American culture American Studies scholars have explored the ways in which American society operates through inequality and modes of social control focusing primarily on issues of status group identities involving race ethnicity gender sexuality and disability The essays in this volume focus on both the historically changing experience of class and its continuing hold on American life The collection visits popular as well as canonical literature recognizing that class is constructed in and mediated by the affective and the sensational It analyzes class division class difference and class identity in American culture enabling readers to grasp why class matters as well as the economic social and political matter of class Redefining the field of American literary cultural studies and asking it to rethink its preoccupation with race and gender as primary determinants of identity contributors explore the disciplining of the laboring body and of the emotions the political role of the novel in contesting the limits of class power and authority and the role of the modern consumer culture in both blurring and sharpening class divisions
